ORDER FOR JOINT OR IDENTICAL POLE LOCATIONS

To the City Council of Northampton Massachusetts

Notice having been given and public hearing held, as provided by law,
IT IS HEREBY ORDERED:

that NATIONAL GRID and VERIZON NEW ENGLAND INC. (formerly known as NEW ENGLAND TELEPHONE AND TELEGRAPH COMPANY) be and they are hereby granted joint or identical locations for and permission to erect and maintain poles and wires to be placed thereon, together with such sustaining and protecting fixtures as said Companies may deem necessary, in the public way or ways hereinafter referred to, as requested in petition of said Companies dated the 26th day of April 2016.

All construction under this order shall be in accordance with the following conditions:

Poles shall be of sound timber, and reasonable straight, and shall be set substantially at the points indicated upon the plan marked – Round Hill Road-Northampton Massachusetts.

21691531 Dated April 26, 2016. Filed with this order

There may be attached to said poles by NATIONAL GRID and Verizon New England Inc. such wires, cables, and fixtures as needed in their business and all of said wires and cables shall be placed at a height of not less than twenty (20) feet from the ground.

The following are the public ways or part of ways along which the poles above referred to may be erected, and the number of poles which may be erected thereon under this order:

Round Hill -Relocate JO pole #1 35 feet north of the centerline of the intersection of Elm St.

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

I hereby certify that the foregoing order was adopted at a meeting of the
Of the City/Town of _____, Massachusetts held on the _____ day of _____ 20__.

PETITION FOR JOINT OR IDENTICAL POLE LOCATIONS

North Andover, Massachusetts

To the City Council
Of Northampton Massachusetts

NATIONAL GRID and Verizon New England, Inc requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

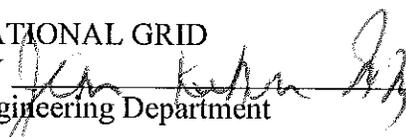

Round Hill -Relocate JO pole #1 35 feet north of the centerline of the intersection of Elm St.
Location approximately as shown on plan attached

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Round Hill Road-Northampton Massachusetts ,

21691531 June 7, 2016

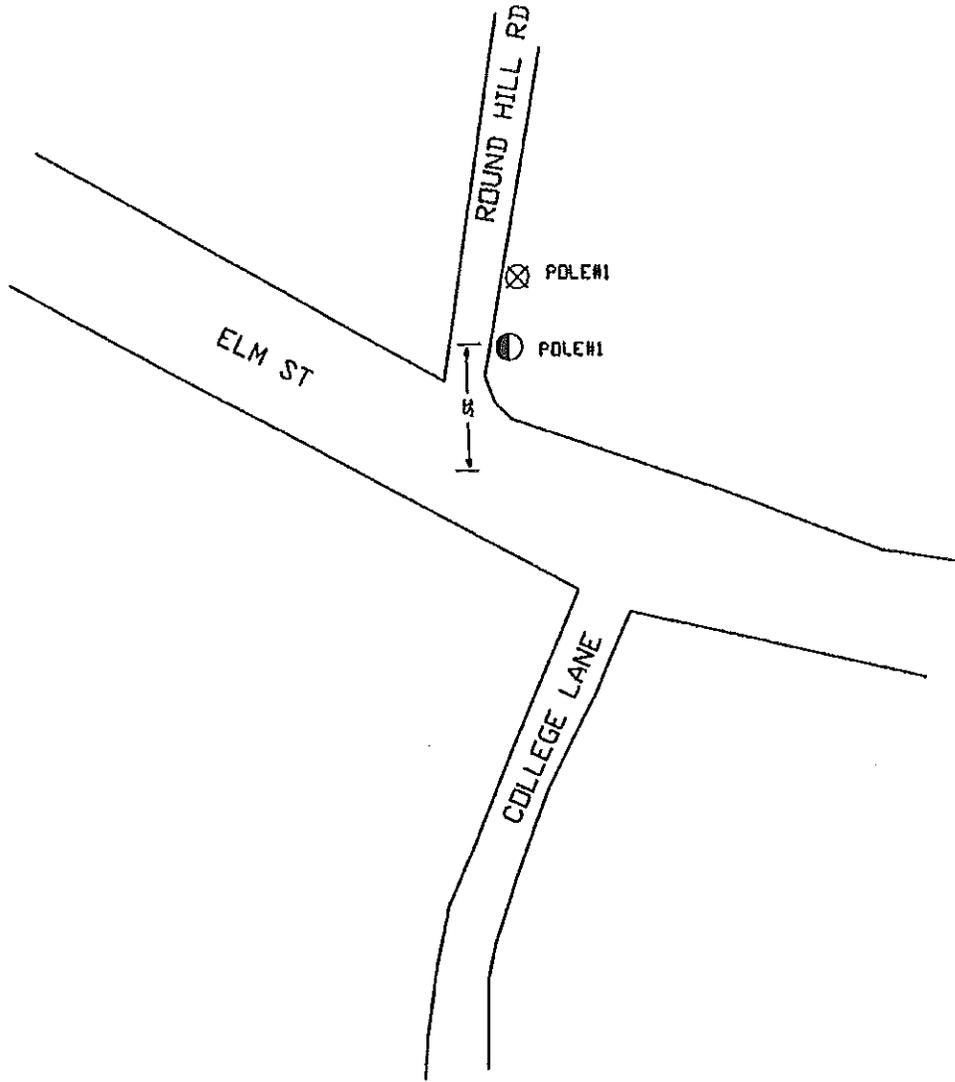

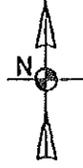

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.

Meeting Minutes

Annual Budget Hearings with City Departments

Location: Northampton Police Station Community Room, 29 Center Street

Meeting Date: May 25, 2016

Meeting Time: 5:30 pm

1. Roll Call: At 5:30 p.m. Councilor O'Donnell called the meeting to order. On a roll call the following councilors were present: Councilor O'Donnell, Councilor Bidwell, Councilor Sciarra, Councilor Murphy and Councilor LaBarge. No other City Councilors were present.

Also present was Mayor David Narkewicz and Finance Director Susan Wright.

2. Budget Presentations by Department:

Councilor LaBarge moved to open the Budget Hearings; Councilor Sciarra seconded the motion. The motion was approved on a voice vote of 5 Yes, 0 No.

- A. 5:30 p.m. Fire Rescue: Chief Duane Nichols and Deputy Chief and Deputy Chief John Garriepy were present from the department.

Chief Nichols explained that his budget is a level funded budget for FY17, as was directed by the Mayor. The department's overall budget for next year is slightly less due primarily to retirements. There are sixty-eight uniform members within the department. Last year the department received 7,200 calls for service; of those, 5,100 were for EMS. Overall the department experienced 400 more calls than the previous year; the Chief reports that call volume continues to rise from year-to-year primarily due to EMS requests. The department is the 24/7 backup first responders to other surrounding communities.

PS accounts for a majority of the department's budget. Retirements last year included former Chief Duggan and Deputy Chief Dave Gagne; replacement staff were added at a lower step rate than the retired members. New fire fighters are generally brought in at a Step 1 level.

On the OM side, two line items were increased: EMS Supplies and Fire Fighting Supplies. The Fire Fighting Supplies was formerly budgeted at \$2,500; however, spending outpaces this budgeted amount. The Chief bumped the budgeted amount up to \$15,000 which better reflects the spending amount over

the past few years. Purchase covered by this line item includes nozzles, fire hoses, axes, etc. EMS supply purchases have also outpaced the budgeted amount. This is due to two primary reasons: first, the number of calls for EMS has risen in the past few years; second, replacement of supplies has shifted to the department as CDH now only supplies medical drugs for ambulance calls. The budgeted amount is now at the \$10,000 level.

DC Garriepy explained that over the past year there has been a 1,000% increase in the use of Narcan by EMS. The Narcan is supplied by the hospital; however, when the drug is administered, other supplies are consumed in the process. Equipment, such as masks, defibrillator pads, etc., is consumed in the process. Cardiac arrests have increased due to the increase in heroin use. One cardiac arrest could consume \$500 worth of medical supplies. Overall, with the current call volume, an average of \$100 in medical supplies is consumed per EMS call. Medical supplies used per call are billed to the patient. Years ago both medical supplies and medical drugs were re-stocked by the CDH. Various shifts over the years, including an increase in call volume, have resulted in the department having to re-stock supplies while drugs are still provided by the hospital.

The EMS industry is expecting a 7% increase in call volume from year to year. DC Garriepy reports that the increased call volume is due to increased heroin use and also due to the number of calls for assisted living medical needs (lift assists due to falls, etc.). Older populations are the result of assisted living quarters at Rockridge retirement community, Linda Manor, and Christopher Heights.

Ambulance replacements are now funded through the department's budget instead of the capital plan. Ambulance replacements will occur every two years.

As part of the service offered by the City residents can register themselves with the Dispatch Center for medical needs/concerns. When a crew is dispatched out, the needs of a patient will be on file. This service is also available to register other important information about the premises. The information will remain confidential and will not be broadcast over the radio. There are calls in which the department always dispatches an engine and an ambulance because of the pre-registered information kept by Dispatch.

The department has also been focusing on using information technology for numerous tasks, including records keeping of patient history, inventory control, and department scheduling. Mobile hot spots have been added to ambulances and trucks to allow for real-time data exchange.

The department currently has eleven first responders; with retirements next year the department will be down to only five. The department only hires paramedics which is a requirement of the job.

The plan for a new fire engine is on-going. A committee is working to identify the specs for the new engine; the committee plans to visit other communities to consider appropriate add-ons for the City; one feature the Chief is planning for is a compressed air foam system. This fire suppression technology will benefit low/no water wards like wards 6 and 7. The new engine is expected to hold 1,000 gallons of water. A compressed air foam system provides for triple the amount of fire suppression; the 1,000 gallons will yield 3,000 gallons of fire suppression.

Chief notes that the EMS equipment is starting to get old. He would like to plan to cycle out the old equipment with new equipment. He would also like to increase the hardware/software capability to incorporate more technology into the hands of personnel.

Chief Nichols reports that the Florence substation is a huge asset when responding to calls in the Florence and Leeds area. While administrative offices are at the main location on King Street, the Florence station is well equipped to respond to most types of emergencies. While the building is older, structurally it is in good shape; through a FEMA grant a new sprinkler system was added to the building.

Regarding new hires, the Chief reports that when postings go up, there is always a list of candidates to draw from. The pool of candidates is only so big, however, and other communities have lured staff to

other communities with higher pay. The department does try to hire local people who might be willing to invest a longer time commitment to the community. Less than half of the staff are Northampton residents.

The name change is still on-going. It is well accepted by the department; the rescue truck that was acquired in December was the first truck to carry the new logo. All new equipment going forward will reflect Northampton Fire Rescue.

At 6:03 p.m. the City Council took a brief adjournment until the start time of the Central Services presentation.

B. 6:10 p.m. Central Services:

At 6:10 p.m. Councilor O'Donnell called the meeting back to order. Presenting the Parking Maintenance and the Central Services budget was Central Services Director David Pomerantz. Director Pomerantz reports that there are no changes to the levels of service for either budget.

There is about a 2.6% increase to the Central Services budget for FY2017, mostly in the Operations and Maintenance portion of the budget. Some of the numbers may change on the PS side due primarily to collective bargaining agreements that have yet to be determined. There is currently a staff of fourteen people in Central Services; there is also a weekend custodial position for JFK Middle School that is funded out of the Central Services budget. The position is 19.5 hours and covers weekends when the Aquatics Center and the gymnasium are open. Director Pomerantz reports that there is a lot of cost sharing that is done between cost centers, including the City, NPS, DPW and SVAHS. The positions that are shared include a City Electrician, an HVAC tech, a Facilities Project Coordinator, and Mail Courier.

Contracts for Electricity service were signed for City and School facilities in October of 2015. They are two year contracts and the City was able to secure rates that are 2 cents per kw hour less than what was paid under the previous twelve month contract. This is helpful for budgeting purposes; staff continue to push energy conservation and efficiency. The City has also signed two year contracts for natural gas which reflects about one cent less per dekatherm over the previous contract.

The City is ready to begin the street light conversion project. The project consists of converting approx. 2,000 City Streetlights to L.E.D. lamps and fixtures. Right now the City owns about 85% of the streetlights; the city will be looking to purchase the remaining 15% in the not-to-distant future. This project is funded through bonds; the City has secured about \$1,000,000 for this project. Director Pomerantz expects that once the project is complete, the City should expect approx. \$190,000 in rebates from National Grid as part of the work. A five-year payback is expected on the entire project. The project is expected to save the City approx. \$120,000 in savings annually. The City will be taking over maintenance of the streetlights as part of the program. Other communities have indicated that maintenance is pretty minimal. The City does have a bucket truck that will be able to be used once the City begins its own maintenance.

Director Pomerantz reports that there is a slight increase in the line item for Contracted and Preventative Maintenance Services. There are also a number of centralized purchasing programs that the City has instituted in the last four – five years. The centralization has resulted in significant cost savings to the City. The programs include: office supply purchasing; copier leasing (City only), custodial supply purchasing; postage services; trash services; and security access purchasing.

Director Pomerantz also reports that Alternative Recycling will continue trash services for the next three years at the same prices as the previous contract. This means that the City will not have to prepare an RFP or go through the bid process. The services include trash pick-up, recycling, and composting at three of the City schools.

In the Parking Budget, there are no real changes to the dollar side. There is one position that was added to the budget: Tom Willard, a former B.I.D. employee, has been hired as a Parking Maintenance

Assistant; he has picked up 100% of the duties that he was doing for the B.I.D. and Chamber program. He will also start to train on some of the Parking Maintenance duties.

Under previous departmental budgets there was a line item for "B.I.D. payments" totaling about \$35,000 per year. This is the amount that the City paid to the B.I.D. for services that they provided. A portion of that amount has been moved up to the PS line to help cover the cost of Mr. Willard's salary. The remainder of the money is used to cover equipment purchases that the City might need to make to perform the duties done by Mr. Willard.

Mr. Pomerantz explained other line items that were part of his Parking Maintenance budget. "Compliance" consists of purchases of miscellaneous equipment, such as fire extinguishers, signage for the garage, tools, etc. "Site improvements" includes painting, crack sealing, landscaping and other improvements to the lots and garages. "Equipment – Parking" includes purchases for meter components, coin collection equipment, paper, as well as repair to the green multi-station.

Councilor Bidwell asked if there was still time to look at alternatives in the L.E.D. lighting program. His constituent, James Lowenthal, has a petition that is signed by a number of individuals. While Director Pomerantz indicated that there still may be time; Chris Mason is still doing the sample placement on Pleasant Street, Randolph Place and on Holyoke Street. An on-line survey is being conducted to get feedback from the community because this is a big change. Chris has spent time with Mr. Lowenthal and with Siemens (installers of the new fixtures) to identify what is best for the City. Finance Director Susan Wright expressed an interest in finalizing the purchase for two specific reasons. First, the projected energy cost savings are already built into the FY17 budget. Second, the City bonded \$700,000 last year and the money is supposed to be spent within a certain period of time.

Councilor Bidwell asked about the possibility to shield streetlights. In taking over maintenance of the streetlights, he wondered if shielding will still be able to be done at individual requests. Director Pomerantz reports that National Grid was asked and the City paid for NG to install shields upon request. As part of the request from the resident, the resident purchased the shield. The work was typically done at night when other maintenance on streetlights was also being done.

Councilor Sciarra asked about the installation of PV canopy systems on municipal parking lots. Director Pomerantz explained that installing photovoltaic systems on municipal parking lots is part of a grant that Energy Officer Chris Mason is working on. The engineering portion of the project is complete; a system is planned for the main Fire Rescue headquarter parking lot on Carlon Drive. The idea is to increase the resiliency of the building in a power failure. Solar on the roof was considered initially, however, the building has a copper roof. A canopy system is a good alternative and will be considered for the Senior Center, school parking lots and the main Fire Rescue headquarters. The structure will consist of pv panels supported by pillars with parking allowed underneath the panels. The project will require that a 1,000 gallon underground storage tank for diesel fuel be taken out. The Fire Rescue vehicles will be required to re-fuel at the DPW.

Councilor Sciarra asked about the pv project at the former Glendale Road Landfill. Director Pomerantz indicated that a contract has been signed with Ameresco. Ameresco has agreed to perform certain steps in the development of the project until the state legislature lifts the cap on net metering to the point where this project would be included in the net metering pipeline.

At 6:38 Councilor Sciarra moved to close the public hearing; Councilor Bidwell seconded the motion. The motion was approved on a voice vote of 5 Yes, 0 No.

3. Adjourn:

Councilor Sciarra moved to adjourn the meeting at 6:38 p.m.; Councilor Bidwell seconded the motion. The motion was approved on a voice vote of 5 Yes, 0 No.

- Alisa F. Klein, Ward 7

Meeting Minutes

Annual Budget Hearings with City Departments

Location: Northampton Police Station Community Room, 29 Center Street

Meeting Date: June 1, 2016

Meeting Time: 5:30 pm

1. Roll Call:

At 5:32 p.m. Councilor O'Donnell called the meeting to order. On a roll call the following councilors were present: Councilor O'Donnell, Councilor Carney, Councilor Bidwell, Councilor Sciarra, Councilor Murphy and Councilor LaBarge. No other City Councilors were present. Councilor Murphy left at 6:45 p.m.

Also present was Mayor David Narkewicz and Finance Director Susan Wright.

2. Budget Presentations by Department:

Councilor Bidwell moved to open the Budget Hearings; Councilor LaBarge seconded the motion. The motion was approved on a voice vote of 6 Yes, 0 No.

- A. 5:30 p.m. Department of Public Works: Donna LaScaleia was present to give an overview of the department's FY2017 budget. Mayor Narkewicz points out that since Director LaScaleia has only been on the job for four weeks, the department's budget was prepared without input from the new director. Also, the FY2017 budget does not reflect collective bargaining agreements since this process is not yet complete. The budget will need to be revised upon completion of collective bargaining; contracts will likely be retroactive to the beginning of the fiscal year.

Director LaScaleia explained that the FY2017 budget is similar to that of FY2016. She reports that built into the new budget are modest step increases for staff in all departments. Snow and Ice will be level funded for the upcoming year. The department will continue focus on infrastructure improvements for street paving, sewer line and water line replacement, some design work for wastewater treatment plant improvements. Additionally, the department is planning for a City-wide fueling depot for all City-owned vehicles.

The Mayor reports that monies will be used again this year for various paving projects. Last year over 7 miles of new roads were completed; it is difficult to know how much new roadways will be completed in the coming year. The department makes use of a computer program in which

paving projects are prioritized. Sometimes roadway repair/replacement projects are coordinated with other major projects, such as water/sewer line replacement projects. Crack sealing is a paving alternative that is often used. The City expects to receive some funding from the State and intends to add more money to the State's amount to fund paving projects. Pavement materials have different life expectancy depending on the type of material used; life expectancies range from 10 – 30 years. Councilor Carney asked about plans for sidewalk repairs; the Transportation and Parking Commission has taken a look at the DPW study of sidewalks. A plan for sidewalk upgrades will be added to the pavement management system that is currently in place for roads.

Director LaScaleia explained that the DPW is prepared to send out water/sewer bills using the new tiered rate structure. Munis is able to handle a tiered rate structure approach. Utility bills for first quarter will come out on or about July 1st.

There are a few positions in the City that are funded from several departments. The City Electrician is one of those positions that is funded by the DPW, Central Services, NPS, and Smith Vocational School budgets.

Councilor Bidwell noted that several DPW positions currently show vacancies in the budget book. Mayor Narkewicz indicated that it will be the responsibility of the newly hired Director to post the positions and hire the staff required for the department.

Councilor Sciarra asked about crosswalk maintenance; Director LaScaleia reports that there is currently one person who is responsible for painting and maintenance of all 600 crosswalks in the City. The Director indicated that she will take a look at allocations for this function and is willing to consider alternatives to get the job done, including adding more staff, hiring a contractor or other resources. Regarding when crosswalk maintenance can be done, weather is a factor, including temperature. Crosswalk maintenance is typically done at night when there is less traffic.

- B. 5:50 p.m. Forbes Library: Janet Moulton and Lisa Downing were present to talk about the Forbes Library budget. Director Moulton explained that seventy-six percent of the Library's budget is through City appropriations.

The Library had over 200,000 visitors in FY2016 which averages out to an average of 90 people entering the library every hour that it is open. The building has three meetings rooms that can be used for community meetings and gatherings. The facility offers over 1,000 programs; in FY2016 20,774 people attended the events. There are currently eleven book groups and another summer reading program is about to get underway. The Library staff also offer instructions on the use of computers and devices, such as tablets. As part of the computer network offerings, the Library offers free Wi-Fi. Community space is accessible to many community groups and non-profit agencies. Using the library provides a safe environment with access to the internet, referral services, and other research help. Another important service is the outreach delivery to homebound residents.

Last year there were over \$7 million worth of services given to the community. Many hours of volunteer services were realized; 136 volunteers worked 6,647 hours. Non-city money is often spent on important resources for the community; in FY2016 over \$170,000 was spent on books and media for public use. Many of the non-city funds are realized through donations, grants, fees, state aid, and endowment earnings.

The building itself is 122 years old and holds the only Presidential Library in a public library in the US. The Calvin Coolidge Presidential Library and Museum was visited by 1,800 tourists last year. The Library also hold primary source material about the history of Northampton and surrounding communities in its Hampshire Room. Local artists can exhibit collections in the library's Hosmer Art Gallery. Just recently, the Northampton High School held an exhibit in this location.

On its “Wish List” the Library would like to open Saturdays during the summer and continue its outreach delivery service. To do so would require about \$30,000 in additional funding.

Councilor Sciarra asked about an order that the Council is considering regarding the window replacement project; Director Moulton explained that the windows are over 120 years old; they are very inefficient at keeping cold out. Many times during the winter the windows ice-over on the inside.

Councilor Carney asked about federal funding for presidential rooms. It was explained that such funding started with presidents after Truman.

- C. 6:10 p.m. Smith Vocational and Agricultural High School – Superintendent Jeff Peterson and Business Manager Nancy Roberts were on hand to talk about the upcoming budget. Superintendent Peterson is very pleased with the support he is receiving from the City but expressed great concerns about funding the school will be receiving from the State. State aid regulations are detrimental only to SVASH due to the fact that the school is the only non-regional vocational school in the State. One new regulation is that beginning in FY2017, out of district students will need to have their “exploratory freshman year” in their own schools district. This affects enrollment which could be decreased by as much as 40%. Last year enrollment was 130; this year the enrollment is projected to be 105. There is not a lot of buy-in from other communities about regionalizing the school. The school serves sixty-one cities and towns and is the only vocational school west of 495 that offers an Agricultural program. Superintendent Peterson is also concerned about the mounting pressures that the aging facility is posing. The School has a ninety-eight percent graduation rate. Within-City enrollment fluctuates but is generally about ¼ of the total student population.
- D. The Police Department did not present their budget due to a scheduling conflict. At 6:45 the committee took a brief adjournment until the start time of the Planning and Sustainability presentation.
- E. 6:50 p.m. Planning and Sustainability: At 6:50 p.m. Councilor O’Donnell called the meeting back to order. Director Wayne Feiden was on hand to talk about the department’s budget for the upcoming year. Director Feiden explained that the Office receive over a \$1.4 million in grants over a three year period. A competitive public health and planning grant is funding the City’s first pedestrian and bicycle plan. The department is also working on a climate adaption plan and is working on complete streets ordinance. The department is also working with a developers’ forum to encourage more housing in and near downtown and several projects have been approved and/or are underway. Sustainable transportation continues to be a hot topic and several projects are being implemented, in addition to several that have already been implemented. Congestion mitigation and air quality are two of the key concerns that the car sharing initiative hopes to address. The department intends to hire a .5 FTE person as a “Lands and Projects Planner”.
- F. 7:10 p.m. Northampton Public Schools: NPS Superintendent John Provost and Business Manager Candice Walczak were on hand to talk about the NPS budget. The projections for next year include a 2.75% increase over FY2016. The FY 2017 Budget Priorities are as follows:
- Plans to open a pre-K satellite with a full-day option for four year olds.
 - Restore credential librarians in the elementary school levels
 - Establish a high-school reading class students identified with an interrupted high-school learning experience
 - Establish two global STEM education programs; one at JFK and one at Jackson Street School
 - Enhance robotics program with increased funding for program
 - Establish school recess assistants to maximize teacher prep time

- Raise salaries for school substitute teachers; many don't currently make minimum wage

3. Adjourn:

Councilor Bidwell moved to adjourn the meeting at 7:30 p.m.; Councilor Sciarra seconded the motion. The motion was approved on a voice vote of 5 Yes, 0 No (Note: Councilor Murphy left prior to adjournment).

CITY COUNCIL MEETING
CITY COUNCIL CHAMBERS
WALLACE J. PUCHALSKI MUNICIPAL BUILDING
212 MAIN STREET, NORTHAMPTON
Northampton, MA
June 2, 2016

Roll Call

A regular meeting of the City Council was called to order by City Council President William H. Dwight. At 7:13 p.m. on a roll call the following City Councilors were present:

At-Large Councilor William H. Dwight At-Large Councilor (Vacant)
Ward 1 Councilor Maureen T. Carney Ward 2 Councilor Dennis P. Bidwell
Ward 3 Councilor Ryan R. O'Donnell Ward 4 Councilor Gina-Louise Sciarra
Ward 5 Councilor David A. Murphy Ward 6 Councilor Marianne L. LaBarge
Ward 7 Councilor Alisa F. Klein.

The following City Councilor(s) was (were) absent: None

Public Hearing

Public Hearing: None

Recognitions and One-Minute Announcements by Councilors

Recognitions and One-Minute Announcements by Councilors

- Councilor Dwight noted that the City Council will not be holding a public hearing concerning the City's budget this evening as originally planned. Instead, the City Council will reschedule its June 16, 2016 meeting to June 23, 2016 and hold the public hearing on that night. A first vote on budget orders will take place on June 23rd; a second vote will take place on June 28th. A conflict arose when the Council agenda did not include the scheduled public hearing.
- Desks in City Council need to be cleaned out in order to prepare for the new desks coming at the end of the month. Councilor Carney commented that there may be some historical value to preserving the desk drawers. Several drawers contain the names of past City Councilors, some of which date back nearly 100 years ago.
- Councilor LaBarge recognized and thanked the five individuals who held the City Council banner during the parade on Memorial Day.
- Councilor Sciarra announced that the second public forum on the downtown economy will be held during the Committee on Community Resources Meeting on June 20, 2016, 5:30 p.m. in City Council Chambers. The focus will be on Downtown Workers and Residents.

Announcements

Communications and Proclamations From the Mayor

Communications and Proclamations From the Mayor:

Mayor Narkewicz presented two proclamations:

- Gypsy Jazz Week June 14 – June 19, 2016 - Five Days of Gypsy Jazz Workshops, Concerts, and Jamming with World-Class Artists from Across the Globe
- National Gun Violence Awareness Day June 2, 2016 to honor and remember victims of gun violence

Resolutions

Resolutions:

16.093 Resolution Recognizing the second Monday of October as Indigenous Peoples Day – 2nd Reading

16.093 Resolution Recognizing the second Monday of October as Indigenous Peoples Day – 2nd Reading

Councilor Klein thanked fellow councilors for passing the resolution in first reading. She noted that the School Committee will be introducing a similar resolution; she feels that when this happens, this will institute a cultural shift in the education in the City for children who will learn more about the indigenous people of this region. There are twenty-two cities that have passed similar resolutions and she believes that this represents a cultural shift in the country in that we

16.093 continued

are figuring out ways to take responsibility to acknowledge the indigenous people who were here prior to Columbus. Councilor Klein also thanked co-sponsor Councilor Carney and co-drafter Rachel Naismith, a resident of Ward 7, and the Human Rights Commission.

**Motion to
approve in 2nd
Reading**

Councilor Klein moved to approve the resolution in second reading; Councilor Carney seconded the motion. The motion was approved on a voice vote of 8 Yes, 0 No, 1 Vacant.

Motion Carried

**The following resolution passed second reading:
Upon the recommendation of Councilors Alisa F. Klein and Maureen T. Carney, and the
Northampton Human Rights Commission**

16.093

A Resolution

Recognizing the Second Monday of October as Indigenous Peoples Day

WHEREAS, the City of Northampton recognizes that the Indigenous Peoples of the lands that would later become known as the Americas have occupied these lands since time immemorial; and

WHEREAS, the City of Northampton recognizes that Northampton is built upon the ancestral homelands and villages of the Indigenous Peoples of this region without whom the building of the City would not have been possible, to wit, from the Mohegan Tribe the Nipmucs and the Pequots, and from the Mohican Tribe, the Pocumtucs who established the Village of Norwottuck – or Nonotuck – upon which much of present-day Northampton is situated; and

WHEREAS, the City of Northampton wishes to uplift the indigenous roots and history of, and contributions to, our city and this country;

WHEREAS, the City of Northampton is committed to respecting and protecting the full range of human rights as set forth in the Universal Declaration of Human Rights and numerous other international human rights treaties; and

WHEREAS, the City of Northampton, in an effort to promote truth, healing, reconciliation, redress, and justice, acknowledges the ongoing trauma and historical harms, acts of genocide, and violations of the human rights of Native American, Alaskan Native, and other American Indigenous Peoples; and

WHEREAS, the City of Northampton has a responsibility to oppose the systemic racism towards Indigenous People in the United States which perpetuates their income, health, educational, and social inequality; and

WHEREAS, despite the fact that the federal government guaranteed the health, safety, and welfare of tribal nations in exchange for over 450 million acres of tribal land, American Indian and Alaska Native citizens experience higher disease rates, lower life expectancy rates, higher dropout rates, and higher poverty rates than any other racial or ethnic group in the country¹; and

WHEREAS, the median income of American Indian and Alaska Native households is 70 percent of the median income of all U.S. households; and 28.4 percent of American Indians and Alaska Natives live in poverty compared to 15.3 Americans as a whole²; and

WHEREAS, American Indians and Alaska Natives have a life expectancy that is 4.2 years less than all other races in the United States and die at higher rates than other Americans from many diseases and harms including chronic liver disease and cirrhosis, diabetes, assault and homicide, and intentional self-harm and suicide³; and

³ Indian Health Service, Disparities, January, 2015

<https://www.ihs.gov/newsroom/factsheets/disparities/>

16.093 continued

WHEREAS, data from the National Center for Education Statistics shows that on average, less than 50 percent of American Indian and Alaska Native students graduate from high school⁴; and

WHEREAS, the City of Northampton understands that in order to help close the equity gap, government entities, organizations, and other public institutions should change their policies and practices to better reflect and significantly improve the experiences and outcomes of American Indian people; and

WHEREAS, the idea of Indigenous Peoples Day was first proposed in 1977 by a delegation of Native nations to the United Nations-sponsored International Conference on Discrimination Against Indigenous Populations in the Americas⁵; and

WHEREAS, in 1990, representatives from 120 Indigenous nations at the First Continental Conference on 500 Years of Indian Resistance unanimously passed a resolution to transform Columbus Day into an occasion to strengthen the process of continental unity and struggle towards liberation, and thereby use the occasion to reveal a more accurate historical record⁶; and

WHEREAS, the United States federal government, the State of Massachusetts, and the City of Northampton recognize Columbus Day on the second Monday of October, in accordance with the federal holiday established in 1937;

NOW THEREFORE BE IT RESOLVED, that the City Council of Northampton, Massachusetts

1. Hereby proclaims that the second Monday in October each year will be known as Indigenous Peoples Day; and
2. Celebrates and honors the foundational contributions of Indigenous People to the history of our City, the State of Massachusetts, and our country; and
3. Encourages the City's schools and other institutions to use Indigenous Peoples Day as a point from which to, throughout the year, reflect upon and learn about the historical abuses and continuing struggles of indigenous nations, and to celebrate the magnificent foundations of the indigenous people of this land upon which our city, state, and country were built; and
4. Encourages businesses and organizations in Northampton to recognize Indigenous Peoples Day; and
5. Shall continue to promote racial, economic, educational, health, and social equity and justice for all people and oppose discrimination towards Indigenous Peoples as it is perpetuated through inequities in income, health, and education.

~ This resolution was developed thanks to Northampton resident Rachael Naismith who initiated the project and gathered data for inclusion in the resolution. Thanks, as well, to the Smith Campus School sixth grade class of Tom Weiner and Joe Golossi for their December 17, 2015 presentation to the City Council on Columbus and the need for an Indigenous Peoples Day in Northampton.~

Enrolled Rules suspended, passed two readings and enrolled.

Motion to approve in 2nd Reading

Councilor Murphy moved to approve the order in second reading; Councilor O'Donnell seconded the motion. The motion was approved on a roll call vote of 8 Yes, 0 No, 1 Vacant.

Motion Carried

The following order passed second reading:

Upon recommendation of the Mayor

Ordered, that

WHEREAS, a petition has been duly filed to layout and accept Scanlon Avenue as a public way; and

WHEREAS, the petition has been referred to the Planning Board and to the Board of Public Works; and

WHEREAS, the Board of Public Works has held a duly noticed public hearing on the petition to layout and accept the public way; and

WHEREAS, both the Planning Board and the Board of Public Works have recommended laying out and accepting Scanlon Avenue as a public way;

NOW, THEREFORE, BE IT ORDERED

That the City Council authorizes the acquisition by gift, purchase, eminent domain or otherwise, an easement in and over the parcels of land shown as shown as "Scanlon Avenue" on a plan entitled, "Plan of Land in Northampton, Massachusetts, Hampshire County, Surveyed for the City of Northampton," dated July 29, 2014, for the purpose of laying out, establishing and accepting public ways thereon.

Further, that the City Council hereby lays out, establishes and accepts as a public way the parcels to be acquired hereunder.

And further, that no damages shall be payable as a result of the any taking authorized herein and no betterments shall be assessed as a result of the laying out, establishing and accepting such public way.

16.108 continued

ORDER OF TAKING

The undersigned, being the duly elected and sitting members of the City Council of the City of Northampton, in the Commonwealth of Massachusetts, acting under the authority of and in accordance with the provisions of General Laws of the Commonwealth, as from time to time amended, and more particularly Chapter 79, and pursuant to the Order of the Northampton City Council, a true copy of which is attached hereto, does hereby take a perpetual easement for and on behalf of the Inhabitants of the City of Northampton over the parcels referenced below. The purpose of the taking hereunder is the laying out, establishing and accepting of a public way in and for the City of Northampton in accordance with Mass. Gen Laws ch. 82, and Northampton Code of Ordinances, § 285-31, et seq.

The parcels hereby taken are shown as "Scanlon Avenue" on a plan entitled, "Plan of Land in Northampton, Massachusetts, Hampshire County, Surveyed for the City of Northampton," dated July 29, 2014, to be recorded herewith. The parcels are more particularly bounded and described as set forth on Exhibit A, attached hereto.

No damages shall be payable as a result of this taking and no betterment shall be assessed as a result of the laying out and acceptance of the public way herein.

[THE REMAINDER OF THIS PAGE INTENTIONALL LEFT BLANK]

IN WITNESS WHEREOF, We, the City Council of the City of Northampton, have executed this Order of Taking this 2nd day of June, 2016

16.082 Financial Order to authorize Look Park to apply for a PARC grant and authorize related borrowing - 2nd Reading

16.082 Financial Order to authorize Look Park to apply for a PARC grant and authorize related borrowing - 2nd Reading

Motion to approve in 2nd Reading

Councilor Klein moved to approve the order in second reading; Councilor LaBarge seconded the motion. The motion was approved on a roll call vote of 8 Yes, 0 No, 1 Vacant.

Motion Carried

The following order passed second reading:

Upon the recommendation of Mayor David J. Narkewicz

**16.082
AN ORDER**

To Authorize Look Park to apply for a PARC grant and authorize related borrowing

Ordered, that:

An order to file and accept grants with and from the Commonwealth of Massachusetts, Executive Office of Energy and Environmental Affairs for the Parkland Acquisitions and Renovations program for improvements to Look Memorial Park

WHEREAS: Look Memorial Park is a city and region-wide asset and park improvements

are consistent with the priority for recreation improvements and heritage landscape preservation in the **Northampton Open Space, Recreation and Multiuse Trail Plan: 2011-2018**;

WHEREAS: Look Memorial Park was deeded to the City of Northampton, under the management of a Board of Trustees, with the condition that it "shall be used forever as a park and for no other purpose," thereby consistent with Article 97 of the Amendments to the Massachusetts Constitution: and

WHEREAS: Planned Look Memorial Park improvements to their fountain, water spray park and bathrooms and related energy and water efficiency improvements will enhance the recreation experience; and

WHEREAS: The Executive Office of Energy and Environmental Affairs (EEA) is offering reimbursable grants to cities and towns to support the preservation and restoration of urban parks through the Parklands Acquisitions and Renovations for Communities Grant (PARC) program (301 CMR 5.00); The PARC is a reimbursement program which requires that the City demonstrate that it has all of the funds necessary to improve park properties prior to state reimbursement; and

NOW, THEREFORE BE IT ORDERED,

That City Council appropriates and authorizes the City Treasurer, with the approval of the Mayor, to borrow \$625,000, over 15 years, under M.G.L. c.44B, §11, M.G.L. c.44 §8C, or any other enabling authority, for the purpose of improvement of public parks and playgrounds on said property, and the Mayor be authorized to file on behalf of the City of Northampton any and all applications deemed necessary for grants and /or reimbursements from the Commonwealth of Massachusetts deemed necessary under the PARC Act (Chapter 933 Acts of 1977, as amended) and/or any others in any way connected with the scope of this Article, and the Mayor be authorized to enter into all agreements and execute any and all instruments as may be necessary on behalf of the City of Northampton to effect said renovation.

And that the Mayor be and is hereby authorized to take such other actions as are necessary to carry out the terms, purposes, and conditions of this grant.

16.083 Order
passed in 2nd
Reading

Upon the recommendation of the Community Preservation Committee

16.083
AN ORDER

To Use CPA Funds to restore two of the historic stained glass windows located in First Churches of Northampton

Ordered, that:

WHEREAS, First Churches of Northampton submitted an application for Community Preservation Act funding for restoration of 12 historic stained glass windows located in the sanctuary of the First Churches of Northampton;

WHEREAS, CPA funds will be used to restore an important historic resource that is valued by

16.083 continued

the community and the region, on which Mass Historic holds a permanent preservation restriction;

WHEREAS, the project will enable these important historic artifacts to remain in Northampton;

WHEREAS, in addition to being an important historic resource, First Churches provides valuable social services and meeting space to at least 27 different organizations and the community at large on a monthly basis;

WHEREAS, all work will be consistent with the Secretary of the Interior Standards for the Treatment of Historic Properties;

WHEREAS, on April 20, 2016 the Northampton Community Preservation Committee voted unanimously to recommend that \$213,000 in Community Preservation Act funds be used to support the restoration of two of the stained glass windows; the Tiffany and Rose, that were included in the application.

NOW, THEREFORE BE IT ORDERED,

That \$213,000 be appropriated from Community Preservation Act funding to First Churches of Northampton for restoration of the Tiffany and Rose stained glass windows. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$6,870.72 is appropriated from the CPA Historic Preservation Reserve (account #2344930-359932) and \$206,129.28 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

AN ORDER**

To use CPA funds to add 22 acres to the Saw Mill Hills in Leeds

Ordered, that:

WHEREAS, the Northampton Conservation Commission and Northampton Office of Planning and Sustainability submitted a CPA application for the Saw Mill Hills to Water's Edge project. This will fund the purchase of a 22-acre parcel adjacent to and overlooking the Roberts Meadow Reservoir for permanent protection.

WHEREAS, the parcel serves an important wildlife connection that will preserve a natural link between the Saw Mill Hills Conservation Area/Roberts Hill and the Roberts Meadow Reservoir.

WHEREAS, the project meets the goals of the Sustainable Northampton Plan, Northampton Community Preservation Plan, and Open Space, Recreation and Multiuse Trail Plan to protect open space and provide for passive recreation.

WHEREAS, on April 20, 2016, the Northampton Community Preservation Committee voted unanimously to recommend that \$72,000 in Community Preservation Act funds be used to support this project.

NOW, THEREFORE BE IT ORDERED,

That \$72,000 be appropriated from Community Preservation Act funding to the Northampton Conservation Commission and Northampton Office of Planning and Sustainability for the Saw

16.084 continued Mill Hills to Water's Edge project. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$72,000 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

AN ORDER

To use CPA funds to allow the Academy of Music to restore a scenic curtain

Ordered, that:

WHEREAS, the Academy of Music submitted a CPA application for the Historic Curtain preservation project;

WHEREAS, the 1913 Maurice Tuttle curtain is the largest known historic scenic curtain on the east coast, and represents a scene from Northampton's history;

WHEREAS, restoration of the curtain will allow it to be viewed by visitors to the Academy during events and free historic tours;

WHEREAS, on April 20, 2016, the Northampton Community Preservation Committee voted unanimously to recommend that \$44,785 in Community Preservation Act funds be used to support this project.

NOW, THEREFORE BE IT ORDERED,

That \$44,785 be appropriated from Community Preservation Act funding to the Academy of Music for the Historic Curtain preservation project. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$44,785 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

16.086
AN ORDER

To Use CPA Funds toward the purchase price of a house in Northampton up to eight units of housing & support service for unaccompanied homeless youth.

Ordered, that:

WHEREAS, Friends of Hampshire County Homeless Individuals submitted an application for Community Preservation Act funding for the Housing for Homeless Youth project.

WHEREAS, currently this population faces a gap in supportive housing services in Northampton and nearby despite being a high risk group.

16.086 continued

WHEREAS, the Western Massachusetts Network to End Homelessness has declared unaccompanied homeless youth a priority in its regional plan.

WHEREAS, CPA funds will leverage up to \$475,000 of funds from other sources.

WHEREAS, on April 20, 2016, the Northampton Community Preservation Committee, voted unanimously to recommend that \$275,000 in Community Preservation Act funds be used to support this project.

WHEREAS, CPA funds will be used towards the purchase of the building, and operation will be turned over to an experienced service organization for management.

NOW, THEREFORE BE IT ORDERED,

That \$275,000 be appropriated from Community Preservation Act funding to Friends of Hampshire County Homeless Individuals for the Housing for Homeless Youth project for creation of 6 to 8 affordable housing units. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$150,000.10 is appropriated from the CPA Affordable Housing Reserve (account #2344930-359933) and \$124,999.90 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

To Provide CPA funds that will be used for fast action on time sensitive real estate opportunities

Ordered, that:

WHEREAS, the Northampton Conservation Commission submitted an application for Community Preservation Act funding for the Conservation Fund.

WHEREAS, the fund makes possible increased acquisition or protection of open space parcels in Northampton by supporting fast action on time-sensitive real estate opportunities.

WHEREAS, the project may leverage additional public and/or private funds.

WHEREAS, the project meets the goals of the Northampton Sustainability Plan for protection of open space and agricultural lands.

WHEREAS, the applicant has used these funds effectively in the past towards the protection of several hundred acres of open space, reflecting the goals established by the Community Preservation Committee.

WHEREAS, all land purchases will be reviewed and approved by the Conservation Commission and the City Council.

WHEREAS, on April 20, 2016, the Northampton Community Preservation Committee, voted unanimously to recommend \$30,000 in Community Preservation Act funds be used to support this project.

NOW, THEREFORE BE IT ORDERED,

That \$30,000 be appropriated from Community Preservation Act funding to the Northampton

To use funds to conduct a dendrochronology wood-dating study of the Shepherd Barn

Ordered, that:

WHEREAS, Historic Northampton, Inc. submitted an application for Community Preservation Act funding for continued work to restore, renovate and stabilize the Shepherd Barn at 66 Bridge St, and protect historic artifacts, and that application was revised to address a small portion of necessary documentation before the project can begin;

WHEREAS, CPA funds will be used to complete dendrochronolgy research and secure the barn in preparation for the full restoration project ;

WHEREAS, CPA funds will be used to help secure an important historic resource that is valued by the community and the region, on which the City holds a permanent preservation restriction;

WHEREAS, all work will be consistent with the Secretary of the Interior Standards for the Treatment of Historic Properties;

WHEREAS, on April 20, 2016 the Northampton Community Preservation Committee, voted unanimously to recommend that \$2,300 in Community Preservation Act funds be used to support this project.

NOW, THEREFORE BE IT ORDERED,

That \$2,300 be appropriated from Community Preservation Act funding to Historic Northampton, Inc. for dendrochronolgy and immediate stabilization work at the Shepherd Barn. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$2,300 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

16.090
AN ORDER

To use CPA funds to continue design & construction of Pulaski Park

Ordered, that:

WHEREAS, the Northampton Department of Public Works submitted an application for Community Preservation Act funding for continued work toward renovation of Pulaski Park; specifically the Overlook Expansion and the area to the rear of the Academy of Music.

16.090 continued

WHEREAS, Pulaski Park is an important downtown resource, and the project will create a vibrant downtown greenspace.

WHEREAS, the project meets the goals of the Sustainable Northampton Plan and the Open Space, Recreation and Multiuse Plans.

WHEREAS, the Department of Public Works received extensive public input about the design of the Park, and the selected design reflects that process.

WHEREAS, the City Council and CPA in 2013, 2014 and 2015 granted \$1,898,500 in CPA funds to support the design and development of design plans and construction for the project, which broke ground in Fall, 2015.

WHEREAS, on May 4, 2016, the Northampton Community Preservation Committee, voted unanimously to recommend that \$805,400 in CPA funds be used to support this phase of the project.

NOW, THEREFORE BE IT ORDERED,

That \$805,400 be appropriated from Community Preservation Act funding to the Northampton Department of Public Works for additional funding for the Pulaski Park Renovation Project, for overlook expansion and area to the rear of the Academy. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$130,400 is appropriated from the CPA Budgeted Reserve (account #2344930-359930) and that the City Treasurer with the approval of the Mayor is authorized to borrow up to \$675,000, over 10 years, under G.L. c.44B, §11 or any other enabling authority, and the debt repayment is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

16.088
AN ORDER

To use CPA funds to allow BBC to continue efforts to control & eliminate several different species of invasive plants that are damaging critical habitats essential to the health of native wildlife and plants, including endangered species

Ordered, that:

WHEREAS, the Broad Brook Coalition submitted an application for Community Preservation Act funding for continued removal of invasive plants within the Fitzgerald Lake Conservation Area.

WHEREAS, the main targets of this project are (1) Spotted and Brown Knapweeds on the dam

16.088 continued

and in Cooke's Pasture, (2) Glossy Buckthorn in Cooke's Pasture, and (3) Black Swallow-wort in Cooke's Pasture.

WHEREAS, the project's control and removal of invasive plants meets goals established by the Northampton Open Space Recreation and Multi-Use Trail Plan and Rediscovering Northampton, and will protect habitat areas of rare and endangered plant species.

WHEREAS, the applicant has used these funds effectively in the past.

WHEREAS, on April 20, 2016, the Northampton Community Preservation Committee, voted unanimously to recommend \$12,800 in Community Preservation Act funds be used to support this project.

NOW, THEREFORE BE IT ORDERED,

That \$12,800 be appropriated from Community Preservation Act funding to the Fitzgerald Lake Invasive Plant Eradication Project. And, that the grantee meets the conditions approved by the Community Preservation Committee, the Mayor, and City Council.

Specifically, \$12,800 is appropriated from the CPA Budgeted Reserve (account #2344930-359930).

16.091 Financial Order to allow the City's Tree Warden to accept gifts of \$25,000 or less - 2nd Reading

Motion to approve the order in 2nd Reading

Councilor Murphy moved to approve the order in 2nd reading; Councilor O'Donnell seconded the motion. The motion was approved on a roll call vote of 8 Yes, 0 No, 1 Vacant.

Motion Carried

The following order passed second reading:
Upon the recommendation of the Mayor

16.091
AN ORDER

To allow the City of Northampton's Tree Warden,
to accept gifts of tangible personal property with a fair market value of \$25,000 or less

Ordered, that:

WHEREAS, the City of Northampton recognizes the role that public shade trees play in reducing energy use, improving air quality, mitigating storm water, spawning retail activity, and enhancing quality of life;

WHEREAS, the public wishes to supplement the city's efforts by providing donations of trees and tree-related equipment and supplies;

WHEREAS, Massachusetts General Laws C. 44 s.53A1/2 provides that acceptance of gifts of tangible personal property requires a vote of the City Council and approval of the Mayor; and

WHEREAS, it is in the best interests of the City to streamline the process by which gifts up to a certain value may be accepted and placed into service for the community;

16.091 continued

Now Therefore Be It Ordered,

The City Council hereby authorizes the City of Northampton's Tree Warden, with the approval of the Mayor, to accept gifts of tangible personal property with a fair market value of \$25,000 or less from the federal government, a charitable foundation, a private corporation or similar statutory entity, individual, or from the commonwealth or any political subdivision thereof. The Tree Warden shall use such gifts for the restricted purpose provided by the donor or, if no restriction is attached to the gift, for such other purposes as the Tree Warden deems advisable.

16.111 A Warrant To Hold a Special Preliminary Election on July 7, 2016 for the At Large City Council Seat - 1st Reading

16.111 A Warrant To Hold a Special Preliminary Election on July 7, 2016 for the At Large City Council Seat - 1st Reading

Recusal by Councilor O'Donnell

Councilor O'Donnell recused himself from discussion and voting on this warrant.

Councilor Bidwell asked if there would be any issues for the City Clerk if this item were held for second reading until June 23rd; it was unclear if there would be any scheduling concerns. Councilor Dwight suggested that a second reading would eliminate any concern; Councilor LaBarge agreed.

Councilor LaBarge highlighted that there is a cost associated with this election and that the staff in the City Clerk's Office would need to reschedule vacations as a result of this unexpected election. She questioned where the money was going to be coming from since the City Clerk indicated that she did not have the money in her budget to hold an additional election. Mayor Narkewicz indicated that the election was not budgeted because it came up so late in the budgeting process and that the cost associated with holding a special election was unknown. He assured Councilor LaBarge that the funding needs for the special election would be addressed and that the City Clerk does have money in her budget to function for all other routine matters.

Councilor Dwight noted that this is not a frivolous expense, but rather a necessary expense. Taxpayers are paying to be engaged in a democracy which is critical.

Motion to approve in 1st Reading

Councilor Murphy moved to approve the warrant in first reading; Councilor LaBarge seconded the motion. The motion was approved on a roll call vote of 7 Yes, 0 No, 1 Vacant, 1 Recusal (Councilor O'Donnell).

Motion Carried

Motion to suspend council rules to allow for 2nd Reading

Councilor LaBarge moved to suspend City Council rules to allow for a second reading; Councilor Bidwell seconded the motion. The motion was approved on a voice vote of 7 Yes, 0 No, 1 Vacant, 1 Recusal (Councilor O'Donnell).

Motion Carried

Field not completed.

What skills and experience will you bring to this committee assignment?

A 1988 graduate of Northampton High School and a 1992 graduate of Mount Holyoke College, I received a Post-baccalaureate Certificate in Urban Revitalization and Historic Preservation and a Certificate in Sustainability from the Wilder School of Urban Planning at Virginia Commonwealth University in 2011. I am currently a Real Estate Agent with Goggins Real Estate, a LEED Accredited Professional in Building Design & Construction, and an EcoBroker. Until mid-2014, I had been elected to the position of Chair of the James River Green Building Council while living in Richmond, VA, where I also volunteered with the Sustainability Manager in the Office of the Mayor of Richmond, to help outline and structure the City's Sustainability Plan, which was later written and implemented. I was active in other volunteer organizations in Richmond as well, including the Better Housing Coalition, Rebuild Together Richmond and EnRichmond, all non-profits which focused either on improving low-incoming housing by incorporating sustainability initiatives, planning, historic preservation, and nature and parks preservation. I returned to Northampton in late 2014 where I grew up, and am anxious to use my experience in working for 10 years in financial services, 12 years in real estate (in Illinois and Virginia) and 6 years in sustainability consulting, to help Northampton achieve its goals for the community. Since my relocation, I have also been actively involved with the Northampton Chamber of Commerce. I believe my skills and experience will make me a valued asset and colleague on the Planning Board.

Are you currently serving or have you served on any city committee?

No

What skills and experience will you bring to this committee assignment? The development of processes, dedication, teamwork, 17 years of observing and writing about the construction projects, 5 years in formal training in interior design, architecture and landscape architecture, Assigned to approx. \$760M of construction projects, I have experience in every phase of the construction life cycle from the programming phase to closeout. I have had the rare opportunity supervise controlled construction sites and every project delivery method (M.G.L. 149) in behalf of the owner. These observations extends from underground utilities to foundations to the building superstructure to the building enclosure, finishes and move management. I have also begun working as a Project Manager, facilitating the controlled construction process, assisting the Public Owners on the procurement process, obtaining funding through the state funding programs, etc. I am licensed as a BBRS construction supervisor and am certified as a MCPPO for new construction.

What skills and experience will you bring to this committee assignment? I've been working as an environmental scientist in Massachusetts for 13 years. I have significant experience working with the Massachusetts Contingency Plan (310 CMR 40.0000) performing assessment, delineation, and cleanup of contaminated properties, including preparation and submittal of comprehensive reports to MassDEP and other State and Federal agencies. I have significant experience working with local cities and towns to obtain federal EPA Brownfields grants and performing Brownfields assessments. I'm a registered underground storage tank third-party inspector and class A/B operator. I have significant experience designing and performing geotechnical investigations to support large and small private and municipal infrastructure projects. I have some experience performing wetland delineations and construction monitoring within the regulatory framework of the Massachusetts Wetlands Protection Act. I have experience preparing storm water pollution prevention plans and performing SWPPP inspections and storm water sampling. I can forward a more comprehensive resume upon request.

Are you currently serving or have you served on any city committee? No

Adin Maynard
Energy & Sustainability Commission Application

I am dedicated to the sustainable future of Northampton. As a small business owner in the building energy efficiency sector, I have technical expertise to contribute to the improvement of the Northampton building stock. With policy development experience, I have a grasp on how rate payer funded utility driven energy efficiency programs are structured and impact Northampton residence.

I have an academic background in sustainability studies and a strong passion for cycling. My wife Llama and I love living in downtown Northampton where we practice simple living to model a better world for our three children.

Serving on the Northampton Energy and Sustainability Commission has been a wonderful experience. I look forward to continuing to serve as Commissioner and working to further the City's initiatives to maintain Northampton as a leading Western MA sustainable community.

Thank you for the consideration.

ADIN MAYNARD

PROFESSIONAL EXPERIENCE

OWNER, HIS & HERS ENERGY EFFICIENCY— DEC 2012 - CURRENT

Energy efficiency and high performance building design and diagnostic services. Providing Certified HERS Ratings and energy code compliance services to Western Massachusetts building and design communities. Support projects by completing energy modeling with REM/Rate, leveraging utility rebates and incentive programs for new construction and existing buildings.

PRINCIPAL, ADIN MAYNARD CONSULTING — AUG 2012 - JAN 2013

Consulted with home performance contracting firms and MyEnergy.com (acquired by NEST/Google) a behavioral energy efficiency software platform. Designed and executed inbound and outbound marketing initiatives for home performance companies. Wrote content for a new web-based feature that provided tips and guides- based on principals of building science- to inspire users to reduce building energy use.

PROGRAM ASSOCIATE, C3 ENERGY (ACQUIRED EFFICIENCY 2.0) — FEB 2012 - JULY 2012

Managed community marketing for Western Mass Saves, an innovative online energy efficiency tool of Western Massachusetts Electric Company that links directly to residential utility accounts. Developed strategies to acquire more users and achieve deeper energy savings through enhanced engagement tactics around energy efficiency. Recruited local businesses as reward partners and designed outreach campaigns to meet overall program goals. Created original content for the online platform. Regularly reported data metrics to utility clients relating to program acquisition and engagement goals. Kept clear program budget records.

DIRECTOR OF OPERATIONS, COZY HOME PERFORMANCE LLC — 2009 - 2012

Directed all business operations of a leading Western MA BPI Accredited building performance contracting company that provides advanced energy efficiency solutions for residential, commercial, and institutional buildings. Established computer systems, developed assessment protocols and data forms, designed and maintained web-site and marketing initiatives, managed projects, performed building diagnostics, energy modeling, and building retrofit sales. Facilitated overall company growth. Provided input to DOER (State), utility program administrators, and other stakeholders that resulted in enhancements to rate-payer funded energy efficiency programs.

ENERGY EFFICIENCY COORDINATOR, HAROLD GRINSPOON CHARITABLE FOUNDATION — 2008 - 2009

Provided customer outreach for the Mass Save residential programs. Set up and managed customer database systems. Developed a reward program for residential customers. Gave presentations to companies and academic institutions on the benefits of energy efficiency. Initiated policy work as a result of the Green Communities Act (2008) advocating for the addition of BPI standards into utility programs and the implementation of the home performance market-model.

PROFESSIONAL COMMUNITIES

Chair, Northampton Energy and Sustainability Commission — 2010 - current

Provide input on municipal energy programs to align with the goals of the Sustainable Northampton Master Plan.

Chair, Efficiency First, Massachusetts Chapter — 2009 - current

Initiated the MA chapter of Efficiency First which has grown to be the fourth largest chapter in the country..

Elected Member, Mass Save Best Practices Group — 2011 - 2012

Represented Home Performance Contractors in the Mass Save Best Practices Group that included many stakeholders of the residential utility programs.

EDUCATION AND CREDENTIALS

Certified HERS Rater (Home Energy Rater), RESNET — 2012

Certified Building Analyst, Building Performance Institute (BPI) — 2009

University of Massachusetts Amherst — 2006

Bachelor of Arts: Sustainable Design and Urban Planning

16.122
AN ORDER

To authorize the acquisition of two parcels of land located on the east side of
Haydenville Road, Whately, MA

Ordered, that

WHEREAS, The City of Northampton owns a surface drinking water supply in the Towns of Hatfield, Whately and Williamsburg surrounded by watershed land owned by both the City and private property owners, and;

WHEREAS, It is in the interest of the City to acquire privately held parcels within this watershed as they become available for sale to protect its drinking water supply, and;

WHEREAS, Certain parcels of land within the watershed are available for acquisition, and it is in the interests of the City to acquire the parcels for watershed protection.

NOW, THEREFORE, BE IT ORDERED

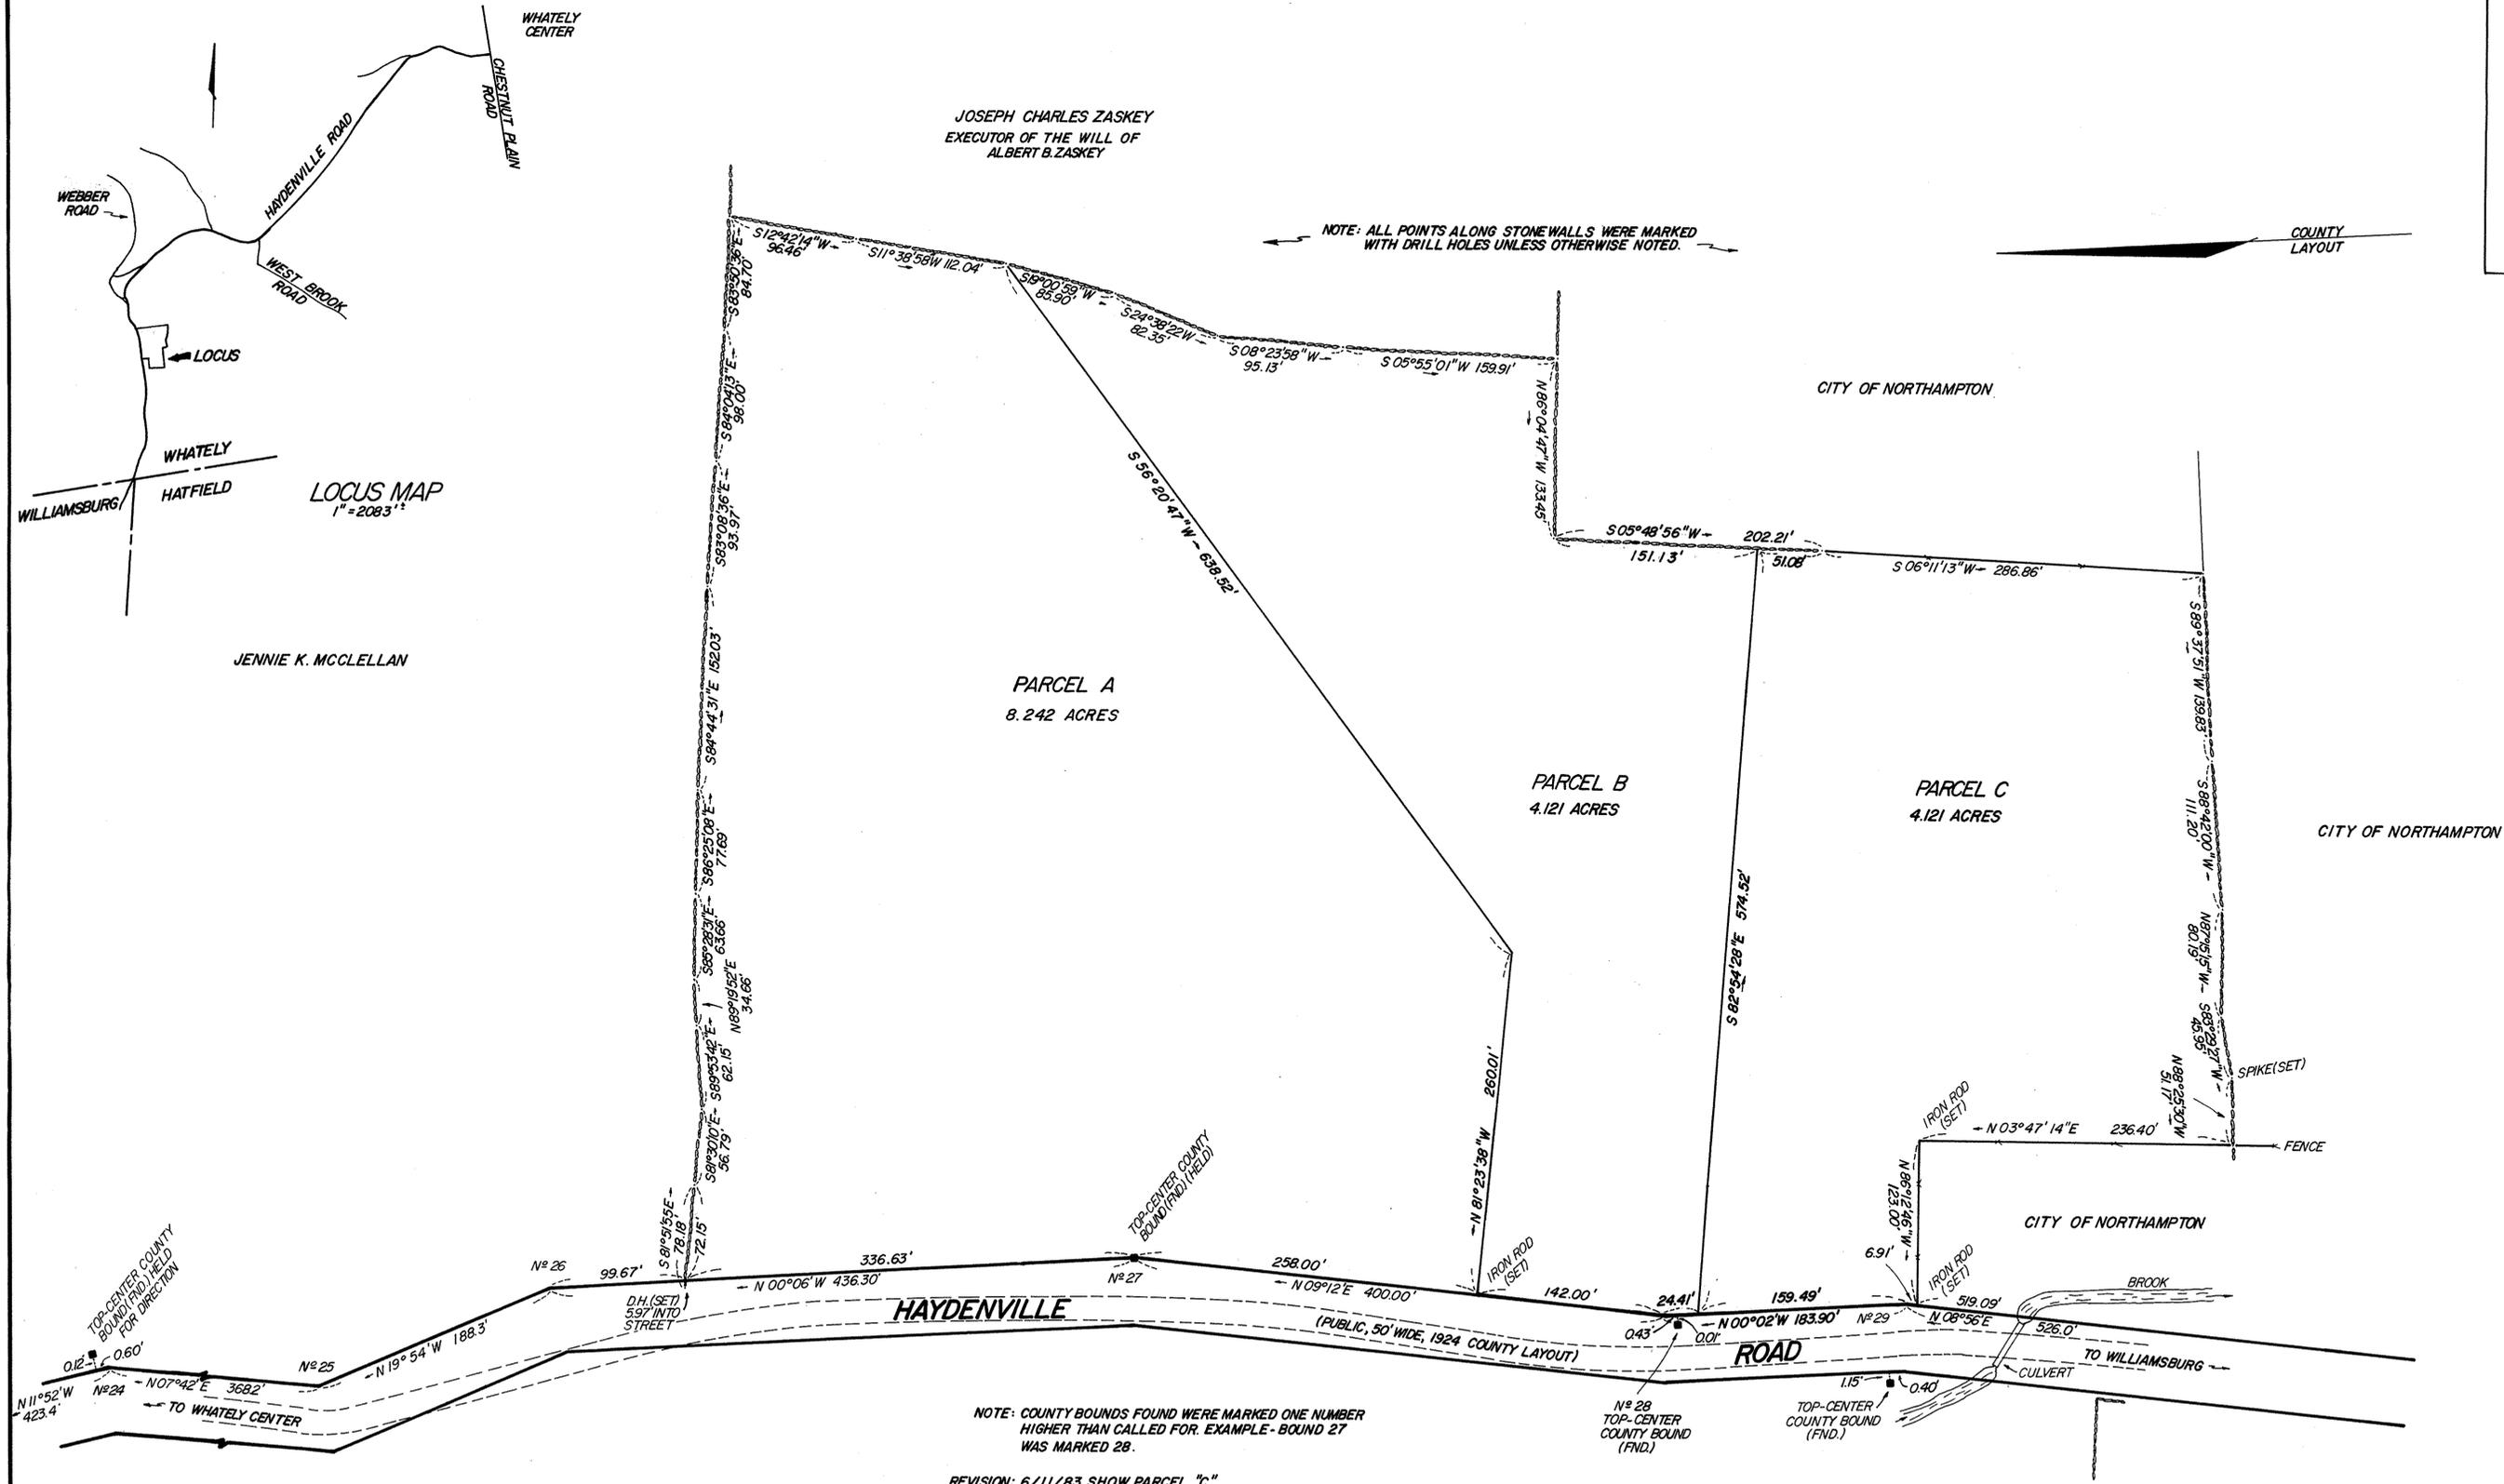

That the City Council authorizes the acquisition by gift, purchase, eminent domain or otherwise, the fee interest in two parcels of land located on the east side of Haydenville Road, Whately, MA, as follows:

1. Parcel B as shown on a plan entitled "Plan of Land in Whately, Mass. Owned by Joseph Pilvinis," dated April 30, 1983, Revised June 11, 1983, and recorded in the Franklin Registry of Deeds in Plan Book 53, Page 43, containing 4.121 acres, more or less. Said parcel is more particularly described in the deed of Joseph Pilvinis to Joan Marie DeLano, dated August 19, 1983, and recorded in said Registry in Book 1750, Page 112.
2. Parcel C as shown on a plan entitled "Plan of Land in Whately, Mass. Owned by Joseph Pilvinis," dated April 30, 1983, Revised June 11, 1983, and recorded in the Franklin Registry of Deeds in Plan Book 53, Page 43, containing 4.121 acres, more or less. Said parcel is more particularly described in the deed of Joseph Pilvinis to Roberta June Marineano, dated August 19, 1983, and recorded in said Registry in Book 1750, Page 114.

This acquisition is for the purpose of the sanitary protection of the Mountain Street Reservoir, part of the City of Northampton's Water Supply. The parcel shall be held in the custody and control of the Department of Public Works.

Further, that no appropriation is necessary for the acquisition of the easement authorized hereunder inasmuch as sufficient funds for this acquisition have been appropriated in Water Enterprise 61523-581000-11 - Land.

Re: Six Year Contract Approval

I am requesting approval under MGL chapter 30B, section 12, to enter into purchases for instructional materials for a period of up to six years. Joe Cook has notified us that we can not exceed three years without a City Council order.

We currently have a purchase pending for textbooks for a high school math program. Along with purchasing the textbooks, we would like to purchase a six year license for digital copies of the textbooks, which would allow students to access the textbook online from home, reducing our need to send textbooks home with the students.

Purchasing the textbooks with a one year license for the digital copies would cost us \$9,053 plus shipping/handling. To purchase the same books with a six year license would cost us \$9,478 plus shipping/handling. For \$425 more this year, we would get an additional five years of the digital license. If we buy one year at a time, it would cost us \$44,840 more over the six years (more if the prices were to go up in subsequent years).

As more instructional materials move to online, we would anticipate this coming up in future purchases. Hence my request that I be authorized to do such contracts for any instructional materials.

Please let me know if any additional information is needed.

cc:Candice Walczak

CITY OF NORTHAMPTON, MASSACHUSETTS

WHEREAS, a petition has been duly filed to layout and accept Bottums Road as a public way;
and

WHEREAS, the petition has been referred to the Planning Board and to the Public Works
Commission formerly the Board of Public Works; and

WHEREAS, the Public Works Commission has held a duly noticed public hearing on the
petition to layout and accept the public way; and

WHEREAS, the Public Works Commission has recommended laying out and accepting
Bottums Road as a public way;

NOW, THEREFORE, BE IT ORDERED

That the City Council authorizes the acquisition by gift, purchase, eminent domain or otherwise,
an easement in and over the parcels of land shown as shown as "Bottums Road" on a plan
entitled, "Plan of Land in Northampton, Massachusetts, Hampshire County, Surveyed for the
City of Northampton," dated March 11, 2015, for the purpose of laying out, establishing and
accepting public ways thereon.

Further, that the City Council hereby lays out, establishes and accepts as a public way the parcels
to be acquired hereunder.

And further, that no damages shall be payable as a result of the any taking authorized herein and
no betterments shall be assessed as a result of the laying out, establishing and accepting such
public way.

ORDER OF TAKING

The undersigned, being the duly elected and sitting members of the City Council of the City of Northampton, in the Commonwealth of Massachusetts, acting under the authority of and in accordance with the provisions of General Laws of the Commonwealth, as from time to time amended, and more particularly Chapter 79, and pursuant to the Order of the Northampton City Council, a true copy of which is attached hereto, does hereby take a perpetual easement for and on behalf of the Inhabitants of the City of Northampton over the parcels referenced below. The purpose of the taking hereunder is the laying out, establishing and accepting of a public way in and for the City of Northampton in accordance with Mass. Gen Laws ch. 82, and Northampton Code of Ordinances, § 285-31, et seq.

The parcels hereby taken are shown as "Bottums Road" on a plan entitled, "Plan of Land in Northampton, Massachusetts, Hampshire County, Surveyed for the City of Northampton," dated March 11, 2015, to be recorded herewith. The parcels are more particularly bounded and described as set forth on Exhibit A, attached hereto.

No damages shall be payable as a result of this taking and no betterment shall be assessed as a result of the laying out and acceptance of the public way herein.

[THE REMAINDER OF THIS PAGE INTENTIONALL LEFT BLANK]

IN WITNESS WHEREOF, We, the City Council of the City of Northampton, have executed this Order of Taking this day of , 2016.

City of Northampton, Massachusetts

EXHIBIT A

Beginning at a point, said point marks the southeasterly corner of a parcel, now or formerly Thomas F. Kelly as described in a deed recorded in Book 10399 Page 257 of the Hampshire Registry District, said point marked by a iron rod found, said point being located on the westerly line of Clement Street, said point being the northeasterly corner of the parcel herein described, thence;

S 55°52'12" W along said Clement Street, a distance of 35.28 feet, to a point, said point marks the angle point in said Clement Street, said point being the easterly side line of the parcel herein described, thence;

S 06°19'48" E along said Clement Street, a distance of 27.07 feet, to a point, said point marks the westerly sideline of said Clement Street, said point marks the northerly corner of a parcel now or formerly James M. Ferrera & Lydia A. Kapell as described in a deed recorded in Book 4264 Page 336 of the Hampshire Registry District, said point being the southeasterly corner of the parcel herein described, thence;

N 39°40'55" W along said Ferrera & Kapell, distance of 524.63 feet to a point, said point marks the southerly side line of the parcel herein described, thence;

S 50°19'05" W through said Ferrera & Kapell, a distance of 50.00 feet to a point, said point marks the southerly side line of the parcel herein described, thence;

N 39°40'55" W through said Ferrera & Kapell, a distance of 50.00 feet to a point, said point marks the southwesterly corner of the parcel herein described, thence;

N 50°19'05" E through said Ferrera & Kapell, and a parcel now or formerly Thomas L. Raredon & Harriet E. Brickman as described in a deed recorded in Book 2523 Page 29 of the Hampshire Registry District, a distance of 100.00 to a point, said point being located on the southerly line of a parcel, now or formerly Ray M. Jackson & Diane Ethier-Jackson as described in a deed recorded in Book 4907 Page 114 of the Hampshire Registry District, said point marks the northerly line of the parcel herein described, thence;

S 39°40'55" E along said Jackson & Ethier-Jackson, a distance of 234.10 feet to a point, said point marked by a iron rod found, said point being located at the southwesterly corner of a parcel, now or formerly Elise L. Starr as described in a deed recorded in Book 5965 Page 234 of the Hampshire Registry District, said point marks the northerly line of the parcel herein described, thence;

S 39°40'55" E along said Starr and said Kelly, a distance of 321.33 feet to the point of beginning.

The above described parcel contains 30,327 square feet more or less, being depicted as Bottums Road on a plan entitled, "Street Acceptance Plan, Plan of Land in Northampton MA, Hampshire 16.118

Registry, prepared for The City of Northampton", dated 03-11-2015. Prepared by Northeast Survey Consultants.

The basis of bearing being the Massachusetts Coordinate System NAD 83
Being a portion of the premises conveyed in the following deeds recorded in the Hampshire Registry of Deeds: Book 4907 Page 114; Book 11963 Page 50; Book 10399 Page 257; Book 4264 Page 336; Book 2523, Page 29.

City of Northampton
MASSACHUSETTS

In City Council June 2, 2016

Upon recommendation of the Mayor

16.114

An Order

To grant VCA, Inc. a 5% TIF exemption on new growth beginning in FY2018

WHEREAS, the City of Northampton granted a 5-year, 5% Tax Increment Financing (TIF) agreement to VCA, Inc. in 2008 for the relocation of its custom furniture and architectural millwork business from Easthampton to Northampton and the construction of a new 20,000 square foot manufacturing facility located on the south campus of the former Northampton State Hospital at 209 Earle Street; and

WHEREAS, VCA, Inc. satisfied the terms of its original TIF agreement by expanding its workforce from 15 to 18 employees as specified in said agreement; and

WHEREAS, VCA, Inc. has since grown to 30 employees and now wishes to further expand its operations through the construction of a 13,000 square foot addition at its 209 Earle Street facility with a commitment to adding 6 additional employees; and

WHEREAS, this important manufacturing expansion project has received preliminary approval from the Commonwealth of Massachusetts as eligible for MA State Investment Tax Credits subject to the approval of a local Tax Increment Financing (TIF) agreement; and so

Now Therefore Be It Ordered,

The City Council approves the VCA, Inc. expansion project as a certified project within the Village at Hospital Hill Economic Opportunity Area, and grants a five percent (5%) TIF exemption on new growth for a period of five years beginning in FY2018, and authorizes the Mayor to execute and implement a TIF agreement.
