Northampton Wayfinding Ideate Committee Neighborhood Associations Forum

7:00 PM, Tuesday January 17, 2017
City Hall Hearing Room (2nd floor), 210 Main Street, Northampton

Invited: representatives from downtown, Florence, Bay State, Leeds, and Village Hill associations.
Anyone is welcome to attend and participate.

Background: The City has hired a consultant to create a wayfinding program. The first phase is funded entirely by downtown parking revenue, so the first signs will be downtown. We are trying to create a wayfinding system, however, that can eventually expand to other mixed use (commercial/residential areas). For that we need YOUR help to make sure that the program will work in other neighborhoods.

Agenda

1. Introductions
2. Brief description about the wayfinding effort
3. Current approaches being considered
4. Input and discussion with neighborhood association
