1. Discussion And Vote Concerning Voting Equipment Proposals From ESS & LHS
There are only two vendors who are certified by the State of Massachusetts to supply optical readers for use by cities and towns. On March 15, 2018 the City Council approved a Capital Plan Financial Order which included, among other items, the purchase of voting equipment. The Board of Registrars will meet to discuss the two available options and vote on which style of voting equipment would be best for Northampton voting purposes.
