11/9/2015 - Minutes

1. **Announcement Of Audio/Video Recording Of Meeting**

   Councilor Carney announced that the meeting would be video taped.

2. **Members Present/Absent**
   Councilor Murphy would arrive a few minutes late to the meeting. Present at the start of the meeting were Councilors Carney and O'Donnell. Councilor Carney chaired the meeting until Counciulor Murphy arrived.

3. **Meeting Called To Order**
   Councilor Carney called the meeting to order @ 5:02 pm. Councilor Murphy arrived at 5:10 pm.

4. **Public Comment**
   None

5. **Approve Minutes Of The Previous Meeting**

   A. **Minutes Of October 13, 2015 Meeting**
   Councilor O'Donnell moved to approve the minutes of October 13, 2015; Councilor Carney seconded the motion. The motion was approved on a voice vote of 2 Yes, 0 No, 1 Absent (Councilor Murphy).

6. **Orders And Ordinances For Review**

   A. **15.377 Zoning For Significant Trees**

   Councilor O'Donnell moved to recognize Sr. Land Planner Carolyn Misch who was present to review the changes to the Ordinance regarding significant trees. It was noted that the version that was attached to the agenda did not include changes that were proposed and agreed upon by the Planning Board and by this committee at its last meeting. Ms. Misch will review the document for missing language and provide to the Admin. Assistant. Once updated, this ordinance can go back to City Council for approval. Specifically, the sentence "The section is not meant to regulate work performed by a utility company in maintenance of its rights of way or in its maintenance repair or replacement of infrastructure that is unrelated to a development project requiring zoning relief" should be moved to section D. 5.

Other changes: capitalization of Warden; under E. remove the website address and replace with Planning Board.

Ms. Misch indicated that at the last meeting Councilor Murphy had indicated that he wanted better language to address continuity of ownership. Ms. Misch suggested that to address this, she recommends that the standards should apply if trees are removed within 12 months immediately prior to a site plan or zoning relief. This length of time would replace the current 18 month stipulation. (section C). Given the amount of time it takes to plan a project and get it in the approval pipeline, 12 months seems realistic.

Councilor O'Donnell moved to continue to the next meeting; Councilor Murphy seconded. The motion was approved on a voice vote of 3 Yes, 0 No.

B. 15.520 Ordinance Pertaining To Glass To Ensure That Structures Exempt From Review Minimally Maintain The Existing Amount Of Glass On Street Facing Facades

This Ordinance is not part of zoning. Ordinances that are part of Central Business Architecture are subject to a different approval process. For many years there have been a series of exemptions from review by Central Business Architecture. This had been item 14 under exemptions. The language clarifies that renovations and alterations are exempt, however, the 50% baseline would still apply. Examples of anomoly buildings include the former Police Station building; houses used for commercial purposes; Northampton Cooperative Bank. If someone wanted to change the facade, they would not be allowed to brick up the store front. Buildings will remain exempt as long as they don't reduce the amount of glass.

Amendment made by committee:

"C. The following elements are specifically exempt from review by the Committee. The Building Commissioner shall issue permits for this work only after determining that the project is exempt.

(14) Alteration or renovation, but not expansion or demolition, of any anomaly or transitional residential building, based on its most recent classification if developed in accordance with the Design Guidelines and so long as the change does not reduce the glazed area of any street-facing facade."

Councilor O'Donnell moved to send the Ordinance back to the full City Council with a positive recommendation as amended; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

C. 15.522 Ordinance For A Complete Streets Policy

This Ordinance serves the purpose to codify what is currently done to improve the public infrastructure. The formality of codifying will make the city eligible for public street improvement money from state sources. Also, the language provides guidelines for all departments to use as guidelines for proposed improvements on the street network.

Councilor O'Donnell points out that there are two versions of this ordinances that were referred to this committee. One version was submitted by the Transportation and Parking Commission. The second shows sponsorship by the Mayor. He indicated that the TPC should be removed as a sponsor. Although they endorse the idea of a policy for complete streets, they did not add their sponsorship to it.

Changes introduced by committee:

- B (3) Lane width should be 10 feet to 11 feet wide for a two way street.
- A The City's Complete Street policy...
- A (5) Ensure sidewalks on all new and reconstructed streets, execpt allys and shared streets.

Councilor Murphy asked that Ms. Misch provide for the full city council the state's requirements for a complete street policy.

Councilor O'Donnell moved to forward to City Council with a neutral recommendation as amended; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

D. 15.523 Ordinance Regarding Winter Parking Regulations

This Ordinance came from Transportation and Parking Commission. Councilor O'Donnell explained that this was a divided vote which narrowly passed in that committee.

The Ordinance prohibits parking in municipal lots during a snow emergency, with certain exceptions. The exceptions are not spelled out in the portion of the ordinance before committee. Councilor Murphy asked that this information be provided to Council when the ordinance goes back to the full City Council for a vote.

Councilor O'Donnell moved to return the Ordinance back to City Council with a neutral recommendation; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

E. 15.524 Ordinance Revising Section 312-117 Schedule XVI-Handicapped Parking Spaces On Keyes Street

This Ordinance corrects the location of the parking space.

Councilor O'Donnell moved to return this ordinance back to City Council with a positive recommendatioin; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

F. 15.525 Ordinance Revising Section 312-46 "Designation Of Parking Spaces"

Councilor O'Donnell explained that certain wording of the ordinance did not make sense for parallel parking spots designated for handicapped parking. Also, the international symbol of accessibility parking space sign is introduced.

Councilor O'Donnell moved to return the ordinance back to the full city council with a positive recommendation; Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

7. Appointments For Committee Approval

A. 15.535 Appointments

The Appointments will be reviewed at the December meeting.

Councilor O'Donnell voluntered to contact Jami Albro-Fisher who has been proposed as a member of the Transportation & Parking Commission.

The extension of the term of appointment for Esther White will not be discussed by this

committee as the term extension was approved in City Council on Nov. 5th rather than referring to committee.

8. **New Business**
   None

9. **Adjourn**
   At 5:50 pm Councilor O'Donnell moved to adjourn the meeting. Councilor Carney seconded the motion. The motion was approved on a voice vote of 3 Yes, 0 No.

City of Northampton
MASSACHUSETTS

In the Year Two Thousand Fifteen

Upon the Recommendation of City Councilor Jesse M. Adams and City Councilor Ryan R. O'Donnell

ORDINANCE

An Ordinance of the City of Northampton, Massachusetts, providing that the Code of Ordinances, City of Northampton, Massachusetts, be amended by amending section 350-2.1 and adding section 350-12.3 of said code; providing for standards for significant trees.

Be it ordained by the City Council of the City of Northampton, in City Council assembled, as follows:

Section 1.

That § 350-2.1 be amended by inserting the following definitions in alphabetical order:

CALIPER DIAMETER
The diameter of a tree trunk of a new tree measured at 12 inches above the ground.

CRITICAL ROOT ZONE (CRZ)
The critical root zone (also known as essential root zone) is the portion of the diameter of a tree's root system that is the minimum necessary to maintain the stability and vitality of the tree. For the purposes of this section the critical root zone shall be calculated by using the following formula: the Diameter at Breast Height in inches multiplied by 24. For example, for a tree with a trunk diameter of 10 inches, the critical root zone would have a diameter of 20 feet.

DIAMETER AT BREAST HEIGHT (DBH)
The diameter of a tree trunk measured at 4.5 feet above the ground.

DRIP LINE
A circular area around a tree encompassing the tips of its outermost branches from which rainwater tends to drip.

SIGNIFICANT TREES
Any tree of 20 inches diameter breast height (DBH) or larger or any other tree specifically identified as a specimen tree on any Tree Inventory Plan adopted by the Planning Board.

Section 2.

That the following section be added to the Code of Ordinances after § 350-12.2:

§ 350-12.3 Significant Trees

A. Legislative findings and intent. The City of Northampton finds that Significant Trees enhance air quality, reduce noise, reduce energy costs, create habitat, enhance aesthetics and property values, and benefit city neighborhoods. The intent of this section is to encourage the preservation and protection of Significant Trees during development and redevelopment projects that require a site plan approval, special permit, comprehensive permit, finding, or variance (collectively "zoning relief").

B. No person shall remove any Significant Tree associated with any site plan approval or any other zoning relief without a site plan approval from the Planning Board (if a site plan approval is otherwise required), or an administrative site plan approval from the Office of Planning and Sustainability if no site plan is otherwise required.

C. The removal of any Significant Tree after July 1, 2015 or within ~~eighteen~~ twelve (~~18~~12) months immediately prior to such a site plan or zoning relief, whichever is later, shall be subject to this section.

D. The requirements of this section shall not apply to:
   1. Trees located on property under the jurisdiction of the Conservation Commission.
   2. City-owned Public Shade Trees pursuant to M.G.L. Chapter 87.
   3. Trees associated with emergency projects necessary for public safety, health and welfare as determined by the Building Commissioner, Director of Planning and Sustainability, or Director of Public Works.
   4. Trees that are hazardous due to disease, age, or shallow roots, as determined and confirmed in writing by a certified arborist and reviewed by the City's Tree Warden.
   ~~4.~~5. The section is not meant to regulate work performed by a utility company in maintenance of its rights of way or in its maintenance, repair or replacement of infrastructure that is unrelated to a development project requiring zoning relief.

E. Any person removing a Significant Tree that is subject to this section shall satisfy either of the following conditions:

   1. Provide for replacement trees according to the following standards:

      i. Replacement trees shall be non-invasive deciduous trees (as defined by the Planning Board) on or off-site, as approved as part of a site plan or administrative site plan, so that for each inch of Diameter at Breast Height of the removed trees there shall be no less than one-half inch of Caliper Diameter of replacement trees.

      ii. Replacement trees shall have a minimum of two inch Caliper Diameter.

      iii. Replacement trees shall be maintained in good health a minimum of 24 months after they are planted as confirmed by the City's Tree Warden. If replacement trees are not found to be in "good health" as determined by the Tree Warden, the trees shall be replaced as directed by the Warden.

iv. Replacement trees shall either be Approved Street Tree Species as defined in Section 290-38 or other trees that are hardy in all of the following USDA Plant Hardiness Zones: 6a, 6b, 7a, and 7b.

2. Pay funds to the city for a Tree Replacement Fund account that, in the ~~city's~~ Planning Board's estimate, will allow the city to plant new Public Shade Trees on city property in accordance with the above formula.

F. Protection of Significant Trees during Construction.

1. Any Significant Trees to be retained and any replacement trees on property where demolition and/or construction activity is planned shall be protected in an area shown on the approved site plan and should follow American National Standards Institute (ANSI) A300 standards for tree care practices.

2. The protected area shall exceed both the critical root zone and drip-line of each Significant Tree unless the Planning Board approves an alternate maintenance and tree protection plan submitted by a certified arborist.

3. A certified arborist shall submit a written letter to the Building Commissioner, Tree Warden and Office of Planning and Sustainability certifying that such area has been so protected in accordance with the site plan.

G. Recordkeeping. The Department of Planning and Sustainability shall collect annual totals of the number and Diameter at Breast Height measurements of Significant Trees preserved and replaced.

CITY OF NORTHAMPTON
MASSACHUSETTS

In the City Council,

Upon the Recommendation of Councilor Ryan R. O'Donnell

Ordered, that

WHEREAS, The City of Northampton recognizes the importance of providing earned sick time to its employees in order to safeguard the public health, keep the cost of healthcare down, and allow workers to take care of themselves and their families; and

WHEREAS, Voters approved ballot initiative Question 4, entitled "Earned Sick Time for Employees" on November 4th, 2014, providing that employees may earn and use sick time if they must be absent from work for certain reasons; and

WHEREAS, Northampton voters approved Question 4 by a vote of 81% to 19%; and

WHEREAS, The law allows employees to use earned sick time to look after their own medical needs or the needs of family members, or to address issues related to domestic violence; and

WHEREAS, The law requires an employer to provide a minimum of one hour of earned sick time for every thirty hours worked by an employee; and

WHEREAS, Workers employed by a city are not included under this law unless the City Council votes to accept the law as required by Article CXV of the Amendments to the Constitution of the Commonwealth.

NOW, THEREFORE, BE IT ORDERED

That the City Council accepts the provisions of MGL Chapter 149, Section 148C, effective July 1st, 2015.
