Please come share your opinion on a proposal to seek state legislation to increase tenant membership on the Northampton Housing Authority

The City Council Committees on Community Resources and Legislative Matters are holding public forums on a proposal seeking state legislation to add additional members to the Northampton Housing Authority. The additional members would be tenants and elected by those residing in the buildings owned and operated by the Northampton Housing Authority. A change to the structure of the housing authority requires approval by the Massachusetts state legislature.

A brief presentation by the proposal's sponsor, Councilor Ryan R. O'Donnell, will be followed by public comment.
