Boards and Committees: Human Rights Commission

Please list "other" board or committee of interest N/A

What skills and experience will you bring to this committee assignment? I am an active volunteer of my child's school (serving as an executive officer of the Family Association/PTO) and participate regularly in many Northampton-based cultural and community events. Professionally, I have years of experience as a foundation program officer, making grant recommendations for projects across many social policy domains including housing, public education, and food security. In that capacity, I also met with the board, executives, and program staff of many nonprofits to hear their funding requests and to provide strategic guidance and support. As the liaison between the funder and grantees, I developed a high level of compassion, discretion, and judiciousness. Currently, as a teacher of non-traditional adult students, I facilitate discussions among a diverse group of nonprofit professionals who share my interests in social justice advocacy.

What skills and experience will you bring to this committee assignment? I was a long-time legal services attorney working with low-income populations, including in public benefits and housing related matters, so I'm generally familiar with the legal framework and issues facing public and subsidized housing. After retiring from legal services in 2008 I worked as an independent contractor for the Northampton Housing Authority when Jon Hite was the Director. I represented tenants of NHA primarily in public benefits cases so have become familiar with the various complexes that comprise NHA as well as some of its operations.
