Proposed Amendments

After discussions with stakeholders, I am proposing the following amendments (I have redrafted or deleted certain language in the ordinance to be consistent with these proposed amendments):

1. The title of the ordinance has been slightly changed.
 2. Section 1.4 eliminated the exemption from the ordinance businesses under 2,000 feet for two reasons: 1) it creates a burden of mandating the city create an inventory of applicable businesses 2) Fairness: it should apply equally and even small businesses contribute to the issue.
 3. Sections 2.1. and 2.3: the reusable bag definition has gone from 3 mils to 1.5 mils. This thickness is consistent with the California plastic bag ban state law, and gives business owners more flexibility with regard to substitutes.
 4. Section 3.1: amended as per the recommendations of Solicitor Seewald.
 5. Section 3.2: deleted.
 6. Section 4.3: deleted.
 7. Date of effect, Section 6.1, changed from November 1st, 2016 to January 1st, 2016.
 8. References to "City" have been changed to the "Board of Health" in section 7.
 9. Section 7.1: hardship deferment periods have gone from 1 year to 6 months.
- These proposed amendments will be presented at the Committee on Economic and Community Development, Housing and Land Use tonight.

Respectfully Submitted,
