Re: National Grid Pole Petition #24293419 (Woodmont Road)

Donna:

I have reviewed DPW records and visited the site to view the proposed possible addition of Pole #9-01 on Woodmont Road, approximately 500 feet southerly from the intersection of Bradford Street on the westerly side of the road.

There are no apparent conflicts with underground city utilities or public shade trees in the proposed location of the new pole.

PETITION FOR POLE AND WIRE LOCATIONS

North Andover, Massachusetts

To the City Council of
Northampton, Massachusetts

NATIONAL GRID requests permission to locate poles, wires, and fixtures, including the necessary sustaining and protecting fixtures, along and across the following public way:

Location approximately as shown on plan attached

Woodmont Road-National Grid to install one (1) SO pole along Woodmont Road, for purpose of lighting new bike path underpass. The location begins approximately 500 feet south of the centerline of the intersection of Bradford St.

Wherefore it prays that after due notice and hearing as provided by law, it be granted a location for and permission to erect and maintain poles and wires, together with such sustaining and protecting fixtures as it may find necessary, said poles to be erected substantially in accordance with the plan filed herewith marked – Woodmont Road-Northampton Massachusetts
24293419 July 28, 2017

Also for permission to lay and maintain underground laterals, cables, and wires in the above or intersecting public ways for the purpose of making connections with such poles and buildings as each of said petitioners may desire for distributing purposes.

Your petitioner agrees to reserve space for one cross-arm at a suitable point on each of said poles for the fire, police, telephone, and telegraph signal wires belonging to the municipality and used by it exclusively for municipal purposes.
