4. Discussion: Reconsideration of the Taking of Center Court

On December 4, 2014, the City Council voted not to accept the BPW's recommendation regarding Center Court. The Board's recommendation was not to accept Center Court as a public way. Given the Council's vote, Councilor Klein questioned the next step in the process.

Director Huntley indicated that the DPW has been working to put together the order of taking and the related plans, however, there is some questions about how to turn a parking lot into public way. Also, there is some question about whether this should be the next step.

Councilor Klein inquired about what the Mayor's position was about Center Court, and also whether there were state requirements that needed to be met since the Council vote. She will follow up with the Mayor and also with Attorney Seewald to determine what should be expected as a result of the vote.

5. Adjourn

At 5:10 p.m. moved to adjourn the meeting; Councilor Adams seconded the motion. The motion was approved on a voice vote of 2 Yes, 0 No.
