**Approve Council Orders for Round 1 2019 Funding Recommendations**

Broad Brook Coalition (BBC) Invasive Control  
Open Space Acquisitions  
Florence National Register Historic District

The Committee agreed that staff should communicate to the Florence National Register District grantee that continued events and educational activities once the National Register District is approved are important. Martha moved to approve the Orders as presented by staff, with minor corrections. Seconded by Julia, the motion carried unanimously.

**Funding Round Debriefing**

Chris asked if additional applications have ever been sought by the Committee once additional funding is known

The Committee noted that the Community Preservation Plan title is through 2018, but there are several pending updates to citywide plans on which the Preservation Plan draws from. There is no statutory requirement to update each year, and the Committee agreed that an update is not needed at this point.

**Summer Schedule, Planning for Next Round**

Sarah will draft a schedule for the fall and send to Committee members. The Committee agreed that summer meetings are not necessary unless urgent business arises.

**Adjourn**

The meeting was adjourned at 7:15 PM.
