NEW COURSE OFFERING

American Mahjogg

6 Bam... pair of green dragons... kong 9 crak... 4 flowers no joker... some of the words you'll hear during a game of American Mahjogg! Come learn one of the most intriguing games to hit our shores. Originating in China in the 1800's, Mahjogg is a game of tiles, beautifully painted with old Chinese symbols and pictures, Americanized with English numbers and "joker" tiles. The game draws you in with a little strategy, the visual and physical appeal of the chunky tiles, and the pleasure of mastering the rules of play. Join us to learn the "ins and outs" of a game you'll want to play for many years to come.

Participants will need to purchase this Required Paperback Text for homework and in-class participation: "The Beginner's Guide to American Mahjogg" by Elaine Sandberg, ©2007. Available at Barnes and Noble or Amazon.
