Re: Community Preservation Committee Recommendation for Funding

Chairman Sciarra and City Councilors,

To encourage greater diversity of applicants for CPA funds, broaden community participation, and make applying less formidable, the Community Preservation Committee developed a 'Small Grants' process for funding requests of up to \$3,000, with a total project cost not to exceed \$6,000. The small grant process was developed to be simpler and less time consuming than the traditional application process, but small grant applicants must still demonstrate their eligibility for funding under the CPA. To expedite the availability of funding, Small Grants Recommendations are provided to City Council as soon as they are complete.

This funding round, meeting, the Community Preservation Committee voted to recommend two Small Grant allocations of \$3,000 each. These recommendations, while small dollar amounts, will have measurable impacts to two open space and recreation projects to two valued City partner groups. The full applications are available on the CPC website at <http://northamptonma.gov/1048/Community-Preservation-Committee>

Please do not hesitate to contact myself, or Preservation Planner Sarah LaValley with any questions about the projects or if additional information is needed.

Thank you,

20.037 An Ordinance Relative to Essential Services and Municipal Facilities

An Ordinance of the City of Northampton, Massachusetts, providing that the Code of Ordinances, City of Northampton, Massachusetts, be amended to indicate that within all use and dimensional tables essential services and municipal facilities do not require a minimum lot size, depth or frontage. This change restores the original intended dimensional requirements and corrects an oversight that occurred in more recent table changes that inadvertently eliminated this provision in some districts. For more than 15 years, the zoning ordinance made clear that minimum lot size was not required for these type of essential services provided by the City.

Be it ordained by the City Council of the City of Northampton, in City Council assembled, by adding:

1) A footnote to Chapter 350 Attachments 4-8, 18, 24:

* No Minimum Lot size, depth, or frontage required for essential services or municipal facilities as defined in 2.1. Minimum setbacks for principal buildings as part of municipal facilities are the same as other principal uses in table above.

2) Adding a line within 350 Attachment 19 showing municipal and essential facilities are allowed by right.

Be it ordained by the City Council of the City of Northampton, in City Council assembled, as follows:

Amend as shown

§350-9.3 Change, extension or alteration of legally preexisting nonconforming structures, uses, or lots.

Legally preexisting nonconforming structures, uses, or lots may be changed, extended or altered as set forth below, except as noted in § 350-9.2A above. If a use is not eligible under one subsection, proceed to the next subsection.

B. A conforming use on a preexisting nonconforming lot: A conforming use on such a lot may be changed, extended or altered:

(1) As-of-right to the same conforming use in a conforming structure, which meets all the dimensional, and density provisions of the current zoning, except for the pre-existing non-conforming dimensional elements. ~~that are pre-existing non-conforming such as lot size, frontage, or depth and when the lot size, frontage, and depth requirements do not change.~~

(2) With a finding from the Zoning Board of Appeals when said change, extension or alteration is to a different conforming use which a) meets all the dimensional, and density provisions of the current zoning, except for the pre-existing non-conforming dimensional elements and b) when the change does not trigger a review under other sections of the Zoning Ordinance by any other Board. ~~When no other board is required to review the project proposed change, extension or alteration, the Zoning Board shall make a Finding as defined in 9.2B. which requires the same or less minimum lot area, minimum lot width and frontage, minimum lot depth, setbacks, and parking than is required for the present use .(and lot does not fully conform to the present zoning requirements for the proposed use).~~

Dear Council President O'Donnell:

On behalf of Gretna Green Development Corp., owner of the property at 3 Wright Avenue (39A-019-001) and the enclosed Petition For A Zoning District Change signed by ten registered voters for the City of Northampton, pursuant to G.L. c. 40A, §5 to initiate an amendment to the Northampton Zoning Map.

The requested change to the Zoning Map is to include the property at 3 Wright Avenue in the abutting GB zoning district from its current regulation in the URC zoning district. The property at 3 Wright Avenue is presently a vacant lot. The owner, Gretna Green Development Corp. owns the abutting property at 118 Conz Street (Map 39A, Lot 20) which is occupied by its tenant, NETA. The lots have "merged" for zoning purposes.

Gretna Green wishes to develop the lot as additional parking for the property at 118 Conz Street operated by NETA and requires the zoning district change to apply for site plan review for additional parking for NETZ.

Your earliest action to move this process forward is much appreciated.

{§ 350-3.4 Zoning Map to add additional Smart Growth-c overlay district (SG-c), in addition to the existing three SG overlays, overlain on the existing Planned Village District (PV), on Map ID 38A-049-001, as shown below.

SG-c does not increase the allowed density (the existing PV has no minimum lot size, frontage, width, depth, or setback requirements) but does allow Commonwealth Smart Growth Overlay bonus to the City for affordable housing. Map 38A-049 has already been dedicated to affordable housing by the City’s State Hospital reuse planning and the resulting state legislation.}
