RE: Pioneer Valley Mosquito Control District (MCD)

Dear Mr. Corte-Real:

This letter is being sent to you in support of the formation of The Pioneer Valley MCD entity. Based on previous conversations and information shared by the staff of the State Reclamation and Mosquito Control Board, the City of Northampton is interested in joining, provided there is reasonable participation by area municipalities.

To this end we offer the following:

- The City understands that its share of the district would be dependent on the number of communities that sign on.
- The City has received information that indicates the new District's cost to be estimated at a \$300,000 budget.
- The City requests an accurate assessment be provided as soon as possible.

Please feel free to contact me at 413-587-1249 should you wish to discuss this further.

Sincerely,

David Narkewicz  
Mayor
