Re: Community Preservation Committee Recommendations for Funding, Spring 2023

President Nash and City Councilors,

In January 2023, the Community Preservation Committee (CPC) began reviewing project proposals submitted for Community Preservation Act (CPA) funding consideration for the second round of CPA funding in FY2023. After extensive review including applicant presentations, site visits, public comment sessions and deliberation, the CPC unanimously voted to recommend three funding requests totaling \$669,368. Combined with the \$1,853,483 recommended by the CPC and approved by Council in late 2022, these will provide funds to fourteen diverse projects representing all CPA funding areas – recreation, housing, open space, and historic preservation.

The CPC encourages Councilors and the public to visit <https://northamptonma.gov/1048/Community-Preservation-Committee> to view the full applications submitted for each project funded this round. Meeting minutes, the City's Community Preservation Plan, information about the CPA, financial documents and other project materials can be accessed on the CPC's webpage: [www.northamptonma.gov/1048/Community-Preservation-Committee](http://www.northamptonma.gov/1048/Community-Preservation-Committee)

Please do not hesitate to contact myself, or CPC staff Sarah LaValley with any questions about the projects, the Committee's recommendations, or if additional information is needed.

Thank you,

Brian Adams  
Chair, City of Northampton Community Preservation Committee
