Petition of the COMCAST OF MASSACHUSETTS II, INC.  
For Cable conduit Location: 54 Main St, Florence, MA

To the City Council of Northampton Massachusetts

Respectfully represents the COMCAST OF MASSACHUSETTS II, INC of Westfield, Massachusetts, that it desires to construct a line of underground cable conduits, including the necessary sustaining and protecting fixtures, under and across the public way or ways hereinafter named.

Wherefore it prays that after due notice and hearing as provided by law, it be granted permission to excavate along public highways and to run and maintain underground cable conduits, together with such sustaining and protecting fixtures as it may find necessary for the transmission of cable, said underground conduits to be located substantially in accordance with the plan filed herewith marked – 54 Main St. Florence Massachusetts

The following are the streets and highways referred to:

Main St - Comcast to bore/trench in concrete sidewalk on South side of roadway approx. 100' and install one 3"-4" PVC conduit. Scope of work to start next to driveway of #32/40 Main St by intercepting existing conduit and install flush mount vault. Install 2<sup>nd</sup> vault in front of 54 Main St to service that building. Install/restore concrete sidewalk to City and Comcast standards. Final scope of work pending City of Northampton approval and dig safe mark outs. Contractor to secure police detail, parking bags and will work in sections at a time to limit any disruption of foot and drive-up traffic to businesses in area.

Location approximately as shown on plan attached.
