

City of Northampton

MASSACHUSETTS

In City Council

June 15, 2023

Upon recommendation Mayor Sciarra

23.347 An Order to Authorize a 50-Month Contract for Cyber Security Services

Whereas, the City of Northampton is pursuing the purchase of enhanced services of a security appliance; and

Whereas, the provider already renders services to the Information Technology Services department under the contract term April 1, 2022 to March 31, 2025 and by contracting enhanced services the current contract will extend to May 31, 2026, an additional 14 months.

Now therefore be it ordered,

That the Information Technology Services Department is authorized to enter into a contract with Entre Technologies for a 50-month contract for enhanced security services.
