## Memorandum

---

To: Donna LaScaleia, DPW Director *Approved 8-21-2023 ML*  
From: Greg Newman, Senior Engineer  
Date: August 10, 2023  
Re: National Grid petition to install one (1) JO utility pole on Loudville Road

---

**Please note the proposed pole location was staked on site at the time of engineering field review on August 9, 2023.** National Grid is proposing to install one (1) joint operation utility pole on Loudville Road approximately 100 feet north of the intersection of Drury Lane. New pole #8-84 across from pole #8 will support existing infrastructure.

A review of City records indicates the following:

1. **SEWER.** There is no sewer on Loudville Road between Drury Lane and Westhampton Road. **No conflicts with sewer in Loudville Road are anticipated.**
2. **WATER.** There is no water main on Loudville Road between Drury Lane and Westhampton Road. **No conflicts with water in Loudville Road are anticipated.**
3. **DRAIN.** There is a 12-inch concrete culvert in Loudville Road located between utility poles #8 and #9. **The contractor shall locate the pole at least 5 feet away from the culvert.**

*A Northampton DPW Trench Permit is required prior to construction.*

Location of proposed utility pole #8-84 on Loudville Road opposite pole #8 as marked by stake
