Re: National Grid Pole Petition #31193070 – Park Hill Road – Pole #46-50

National Grid is proposing to install 1 SO Pole on Park Hill Road beginning at a point approximately 190 feet east of the centerline of the intersection of Oliver Street. The installation is for a new midspan pole #46-50 approximately 60 feet east of Pole #47 and 120 feet west of Pole #46.

A review of City records indicates the following:

1. **SEWER, WATER, & DRAIN:** There are no City utilities located in the vicinity of the proposed pole on Park Hill Road.
2. **PUBLIC SHADE TREES:** Public shade trees are not located within the work area.

A Northampton DPW Trench Permit is required prior to any construction.
