OPEN MEETING LAW COMPLAINT FORM

Instructions for completing the Open Meeting Law Complaint Form

The Attorney General's Division of Open Government interprets and enforces the Open Meeting Law, Chapter 30A of the Massachusetts General Laws, Sections 18-25. Below is the procedure for filing and responding to an Open Meeting Law complaint.

Instructions for filing a complaint:

- Fill out the attached two-page form completely. Sign and date the second page. File the complaint with the public body within 30 days of the alleged violation. If the violation was not reasonably discoverable at the time it occurred, you must file the complaint within 30 days of the date the violation was reasonably discoverable. A violation that occurs during an open session of a meeting is reasonably discoverable on the date of the meeting.
- To file the complaint:
  - For a local or municipal public body, you must submit a copy of the complaint to the chair of the public body AND to the municipal clerk.
  - For all other public bodies, you must submit a copy of the complaint to the chair of the public body.
  - Complaints may be filed by mail, by email, or by hand. Please retain a copy for your records.
- If the public body does not respond within 14 business days and does not request an extension to respond, contact the Division for further assistance.

Instructions for a public body that receives a complaint:

- The chair must disseminate the complaint to the members of the public body.
- The public body must meet to review the complaint within 14 business days (usually 20-22 calendar days).
- After review, but within 14 business days, the public body must respond to the complaint in writing and must send the complainant a response and a description of any action the public body has taken to address the allegations in the complaint. At the same time, the body must send the Attorney General a copy of the complaint and a copy of the response. The public body may delegate this responsibility to an individual member of the public body, its counsel, or a staff member, but only after the public body has met to review the complaint.
- If a public body requires more time to review the complaint and respond, it may request an extension of time for good cause by contacting the Division of Open Government.

Once the public body has responded to the complaint:

- If you are not satisfied with the public body's response to your complaint, you may file a copy of the complaint with the Division by mail, by email, or by hand, but only once you have waited for 30 days after filing the complaint with the public body. Mail may be sent to: The Division of Open Government, Office of the Attorney General, One Ashburton Place - 20th Floor, Boston, MA 02108. Emails may be sent to: openmeeting@state.ma.us.
- When you file your complaint with the Division, please include the complaint form and all documentation relevant to the alleged violation. You may wish to attach a cover letter explaining why the public body's response does not adequately address your complaint.
- The Division will not review complaints filed with us more than 90 days after the violation, unless we granted an extension to the public body or you can demonstrate good cause for the delay.

During an open meeting discussing the fiscal year 2021 budget the council did vote on an amendment to the Police Department Budget and passed this amendment 5-3. Councilor Alex Jarrett, fearing his proposed significant cut to the budget would not pass the required 2/3 vote in the end filed a reconsideration of the vote.

Councilor Jarrett has an unethical relationship as a city councilor and financial beneficiary as a contractor of the central services department of the city of Northampton.

Councilor Jarrett was looking to lower the percentage of the cut to the Police Department budget so that more councilors would vote for it in the end when he could not as he had to abstain.

The city council deliberated shortly and then took what was stated would be a 5 minute recess which extended to 13 minutes.

During this time councilors were not broadcast on the virtual meeting and could not be seen.

When they returned Councilor Jarrett was now filled with confidence and put the motion back on the floor to vote. At that time the motion passed with Councilor Lebarge changing her vote, without explanation.

This is indicative of a conversation that Councilor Jarrett and Lebarge had outside of the public meeting in order for her to change her vote.

What action do you want the public body to take in response to your complaint?

Note: This text field has a maximum of 500 characters.

The motion should be brought back to the floor and Councilors Jarrett and Lebarge should be forced to abstain from the vote as they cannot be trusted to vote in an ethical manner.
