Requests

This league is designed to only run on weekends. Any date(s) your team can not play **must** be clearly indicated when you turn in your information. You may request a preferred time of the day (earlier vs later on the day). Please indicate the dates on the front of your roster form. It is not guaranteed you won't play those dates but we'll try to accommodate. No games (regular season, playoffs, or rain-outs) can be switched once they are scheduled.

If there are Playoff games: Due to the nature of playoff games, team date restrictions cannot be considered when scheduling playoffs. Weather cancellations for playoff games will be rescheduled as soon as possible and may even be rescheduled for the following day.

Game Scores

The winning team manager is responsible for calling or emailing Parks & Recreation the game score the next day. Please stay on top of this as it is hard at the end of the season to try to find all the scores.

Players Pool

If you are seeking additional players for your team, please consider individuals from the player's pool. We will receive many names to add to this pool. An updated list may be received from the Parks & Recreation Office during the player add period.

Player Conduct and Safety Form

Regulations regarding player conduct and safety information are the responsibility of each team member. Please read them carefully. No team will be accepted unless these forms are signed by all players and turned in at the time of registration.

A copy will be made for the manager upon request.

Schedules Available

Season schedules may be picked up at the Parks & Recreation Dept. or emailed. Team balances must be paid in full, along with original rosters and player conduct and safety form signed and turned in, in order to pick up/receive schedules.
