

CONSTRUCTION CONTROL WAIVER

From:

To:
Building Commissioner
City of Northampton
212 Main Street
Northampton, MA 01060

The Massachusetts Building Code, section 107.1 allows for an exclusion from requirements for construction control in certain situations. In accordance with code section 104.10, I request that you grant a modification to waive the requirement for construction control of the project at

because the work is of a minor nature, will not affect structural elements, health, accessibility, life or fire safety, and will be done in accordance with the prescriptive requirements of the code.
Thank you for your consideration.

Respectfully,
