R-21.340 A RESOLUTION IN SUPPORT OF THE FAIRNESS TO FARMWORKERS ACT

WHEREAS, Farming in the Commonwealth is a vibrant part of our state economy, providing consumers with healthy local food options, preserving open land, supporting our local economy and reducing our carbon footprint, and;

WHEREAS, Hampshire County has 692 farms on 50,644 acres¹; 213 of these farms hire farmworkers, with a total of 1,267 farmworkers employed in the County², and;

WHEREAS, Farmworkers in Massachusetts are at present denied the wage and hour protections provided to other workers, miring farmworkers and their families in unjust work and living conditions. Twice as many farmworker families now live in severe poverty as compared to other families³, and;

WHEREAS, Farmworkers additionally face unique workplace hazards and health concerns resulting from long work hours, exposure to pesticides and a physically demanding, fast-paced work environment. Agricultural workers, alongside those in the fishing industry, experience the highest rate of occupational fatalities in Massachusetts⁴, and;

⁴ Mass.Dep't Of Pub.Health, Fatal Injuries At Work Massachusetts Fatality Update 2016-2017 2 (2019)

WHEREAS, Despite the elevated health and safety risks farmworkers face, many farmworkers in the Commonwealth lack benefits and resources to help address health issues. For example, 88% of Massachusetts farmworkers surveyed by the Pioneer Valley Workers Center reported that their employers did not offer paid sick days⁵ and approximately 80% of the Connecticut River Valley Farmworker Health Program’s Massachusetts farmworker patients did not have health insurance in 2019,⁶ and;

WHEREAS, Farmworkers in Massachusetts are overwhelmingly immigrants originating from Latin America, and;

WHEREAS, The longstanding exclusion of farmworkers from our state’s minimum wage and overtime protections – afforded to virtually all other employees, including other essential workers– is part of a national legacy of structural racism and inequality, based in the exclusion of farm work from the national landmark workplace legislation of the 1930s to allow for the continued economic exploitation of African American farmworkers, and;

WHEREAS, Massachusetts law should not permit a disproportionately immigrant and Black and Latino workforce to earn a poverty-inducing wage that is 40% lower than the current state minimum wage, essentially relegating farmworkers to a second-class employee status under the wage and hour law of Massachusetts, and;

WHEREAS, The Fairness for Farmworkers Act, ([S1205](#), [H1979](#)):

- 1) sets the wage for farmworkers at the state minimum wage,
- 2) provides overtime pay for all farmworkers. Seasonal farmworkers will receive one and a half times their normal rate of pay for work performed in excess of fifty-five (55) hours in a week,
- 3) establishes the right to a day of rest each week for seasonal farmworkers, providing overtime pay at time and a half for workers who elect to work on that day of rest, and;
