

**Emergency Evacuation & Traffic Control Plan: Heritage Park
3 Dearborn St., East Longmeadow MA 01028**

Parents will enter from Dearborn St at N Main St. They will turn north into the driveway. Check-In will be in the grass on the southside of the parking lot.

Coaches will gather participants away from the fire/emergency area but visible to the parking lot where fire officials, police and parents can see them. If the fire/emergency is on the grass field, then coaches will evacuate participants to the shaded area to the east of the pond, north of the parking lot. If the fire/emergency is not on the grass field, then the participants will remain at their location. The coach will take attendance. Play will not be resumed until Fire/Emergency Officials have stated it is safe to play.

Note: When calling 911 on your cell phone, be specific as possible to the emergency dispatcher regarding your location, nature of emergency and exact location where your emergency is occurring. Do not hang up until the emergency operator does or advises you to do so.
