

A historical black and white photograph of a wide street in Northampton, Massachusetts. On the left, a large, ornate brick building with multiple stories and many windows is visible. A tall, slender church steeple rises behind the buildings in the center. The street is filled with numerous horse-drawn carriages and wagons, some carrying goods like lumber. Pedestrians are scattered throughout the scene. The overall atmosphere is one of a bustling, early 20th-century urban environment.

PULASKI
PARK

This aerial map of downtown Hartford, CT, illustrates the location of Pulaski Park and its context within the city. The park is highlighted with a green outline in the center-right. To its west, along Main Street, are the City Hall, Unitarian Society, Memorial Hall, and Round House. To its east, across South Street, is the Academy of Music. The Manhan Rail Trail runs north-south through the center of the city. A green dashed arrow points from the park towards the north, and a black arrow points from the park towards the south. A north arrow is located in the bottom right corner.

This diagram shows an aerial view of a park area with four labeled zones: PLAY (purple oval), CANOPY (green oval), LAWN (yellow-green oval), and PLAZA (orange oval). A green line outlines the park boundary, and a dotted pink line with arrows indicates a movement path. The path starts at the bottom left, moves right along the bottom boundary, then follows a zig-zag pattern through the CANOPY, LAWN, and PLAZA zones, ending at the top left. A north arrow points down in the bottom right corner, and the text 'MAIN STREET' is at the bottom.
