### Temporary City Hall Closure and Relocation of City Hall Offices

NORTHAMPTON — Beginning Monday, December 2, 2024, Northampton City Hall will close for at least four weeks to undergo asbestos abatement and needed insulation work. These improvements represent a vital investment in one of Northampton's most historic and iconic buildings, addressing long-standing infrastructure needs, enhancing energy efficiency, and making possible critically needed roof repairs.

Even though the building will be closed on December 2, 2024, staff have already begun to move in preparation. City Hall employees and departments will work remotely or from temporary locations during this time. Email is the best way to reach them, and if you need to visit a temporary location, please call or email the office to make an appointment.

Please be advised that all City of Northampton municipal offices will be closed for the Thanksgiving holiday beginning Wednesday, November 27, 2024, at 12 p.m. and won't reopen until Monday, December 2, 2024.
