Mayor Sciarra Announces 2026 Office Hours

NORTHAMPTON – Mayor Gina-Louise Sciarra is pleased to announce the launch of her 2026 Office Hours program, offering individual residents the opportunity to meet with the Mayor.

Beginning in February, Mayor Sciarra will have a two hour block for individual meetings with community members. Appointments will be scheduled in 15-minute time slots, allowing a resident to discuss any topic of their choosing.

Office hour appointments will open 30 days in advance of each month's scheduled date. To make the most effective use of this time, participants are asked to submit their topic(s) for discussion in advance. This will allow Mayor Sciarra to come prepared and, when appropriate, invite relevant department heads to join the meeting to help address questions or concerns.

"I'm really looking forward to building into the schedule more one-on-one meetings with these office hours and to hearing directly from residents," shared Mayor Sciarra. "Whether you have a burning question, an observation to share, or a concern you'd like to raise, I'm excited to connect with you."

Residents who are unable to secure a time slot for a given month are encouraged to check back when scheduling opens for the following month. In order to ensure fair access and availability for all residents, appointments are limited to one (15-minute) office hour session per person.

In addition to office hours, residents may submit questions for the Mayor's Q&A feature in the city's bi-weekly newsletter. Questions can be submitted through a [brief online form](#), and residents can sign up to receive the newsletter on the [city's website](#).

For information on signing up for office hours once the new date is announced, please visit the [website](#). As always, questions may also be directed to the Mayor's Office at 413-587-1249 or mayor@northamptonma.gov.
