

Northampton Parks and Recreation WATER AEROBICS

Aquatics and Family Center
@JFK Middle School
100 Bridge Road

This fun energizing class will leave you feeling refreshed and rejuvenated! Using the resistance of water to develop balanced muscle conditioning and cardiovascular fitness, this program is for all ages, ability, and fitness level. Deep and shallow water workouts offer a superior range of motion and allows for greater muscular strengthening. Most exercises are done in a vertical position and are designed to provide a great full body workout. Belts and/or pool noodles are available for the deep end. So, how about it? Let's "dive in" together and get moving the water! The instructors bring lots of energy to their dynamic, safe and constructive class. Water aerobics is for ages 18+.
